

THE DALLAS POST Salutes MALTBY DRUG

JOE RANIELI

Joe Ranieli saw a dream come true three years ago when he became proprietor of Maltby Drug Store at 326 Hughes Street in Swyersville. As the fourth generation owner of the first drug store in Swyersville, Ranieli took over the reins at Maltby after graduating from Temple University with a Bachelor of Science in Pharmacy.

Ranieli's first career hope, however, lay in the area of education as he majored in that field as a student at King's College, graduating in 1971 with a major in Spanish. Admitting he wanted to teach but couldn't find a job in that field, Ranieli worked at several jobs for the next few years.

Deciding it was time to do something serious with his life, he entered the world of Pharmacy and, after graduating from Temple in 1977, spent some time working in the area before taking over ownership of Maltby Drug Store.

Ranieli prides himself in being a part of the first drug store which came about approximately 60 years ago under the proprietorship of a Mr. Edwards. Following Mr. Edwards was Sam Smulovitz, who was followed by Ted Fischer, prior to Ranieli's tenure.

A native of Pittston, Ranieli admits his ultimate goal was to own his own business and saw a dream unfold when the opportunity to take over at Maltby came about.

Maltby, which is open from 9 a.m. to 9 p.m. Monday through Friday, 9 a.m. to 6 p.m. Saturday and 8 a.m. to noon on Sunday, employs six people and offers 24-hour emergency service. In addition, the drug store is also a UGI collection agent, a United States Postal branch, and serves all third-party prescriptions, including PACE, Blue Cross and Medical Assistance.

A bachelor, Ranieli resides on Murray Street in Forty Fort. He is a member of the Luzerne County Pharmaceutical Association, a member of the Pennsylvania Pharmaceutical Association and president of the Swyersville Kiwanis Club.

Lake-Lehman Key Club collecting canned goods

The Lake-Lehman Key Club has begun planning a canned goods drive. Held from November 12-16, the project is asking for any donations of canned foods or personal products. These donations will be forwarded to the Shepherds of the Street Organization, which will then distribute the goods to needy, homeless people in our area. A donation box will be placed in the Lake-Lehman Senior High School office. Every member of the school and community is asked to demonstrate their generosity by donating to help the less fortunate.

The Key Club is also involved in another school affiliated project. Each year, the school works with the Red Cross to organize a mini blood drive. Since it is held in the school, the availability of time and easy access of the blood drive encourages students to begin donating blood. Each member of the Key

Club who meets the requirements to donate blood is making the sacrifice while other members, in cooperation with the Health Assistants Class, aid in the organization and execution of the blood drive. The blood drive was held November 7 in the high school gym.

One final charity project in which the Key Club is involved in is a bed race. The bed race was held November 10 on North Main Street, Wilkes-Barre. The Lake-Lehman Key Club will be gathering pledges in order to benefit our charity, Spina Bifida. Other area clubs will be in our competition. It is a fun way to raise funds to benefit those suffering from the disability birth defect.

The Key Club encourages public involvement in all of these activities and wishes to thank those whose generosity will certainly make these projects successful.

Donation made
