

Holiday Gift Guide

Fashion jewelry is popular

Color, sparkle and shine are everywhere during the festive holiday season - in brightly wrapped gifts, shiny Christmas tree ornaments, and in handsome holiday apparel.

New fashion jewelry accentuates the yuletide's color and excitement with bright colors in enamel, bead and stone jewelry, and in glowing gold and pearl necklaces, earrings and bracelets, observes the Jewelry Industry Council.

There's a bold use of rhinestone pave in accents on pendants and in pins, in centerpieces on necklaces, and where pearls and stones on earrings are outlined with rhinestones.

There's a brand new look to pearls, as designers use large baroque pearls for earrings and in necklace centerpieces, setting them in gold.

Spice cake

The spice in this cake, which began to be traded many years ago, provides the main ingredient for this warm holiday treat.

Spice goes way back

The history of the spice trade is ancient and romantic. So valued were spices that to protect their livelihood, shrewd traders told stories of cinnamon found only in glens infested with poisonous snakes and of cassia which grew in lakes guarded by winged creatures.

SPICE CAKE

1 pkg. Betty Crocker SuperMoist yellow cake mix
1 t. ground cinnamon
1/4 t. ground cloves
1/4 t. ground nutmeg
Powdered sugar or Easy Penuche Frosting (below)

Heat oven to 350 degrees. Grease and flour rectangular pan, 13x9x2

inches. Bake cake mix as directed on package except stir cinnamon, cloves and nutmeg into batter. Cool: sprinkle with powdered sugar or frost with Easy Penuche Frosting.

EASY PENUCHE FROSTING

1/2 c. margarine or butter
1 c. packed brown sugar
1/4 c. milk
2 c. powdered sugar

Heat margarine in saucepan until melted. Stir in brown sugar. Heat to boiling, stirring constantly. Remove from heat; cool to lukewarm. Gradually stir in powdered sugar. Place pan in bowl of ice water and stir until thick enough to spread.
