

# Holiday Gift Guide

## Holiday mailing tips

Trailways offers the following suggestions for holiday mailing:

**WEIGHT:** You can ship any package weighing 150 pounds or less.

**SIZE:** A package's dimensions can be as much as 141" when the depth, width and height are added together, but no one dimension can be longer than 74 inches.

**INSURANCE:** The first \$100 of valuation is provided free, additional insurance up to \$1,000 is available for a small fee.

**ARRIVAL TIME:** Under 200 miles, same day. Under 500 miles, overnight. Under 1,000 miles, 24 hours. Coast-to-coast, 72 hours.

**PICK-UP AND DELIVERY:** Pick-up and delivery service is offered in over 170 cities nationwide. An additional fee is charged in most cases although free pick-up and delivery is available in many cities.

**TERMINAL HOURS:** Most Trailways locations are open 24 hours a day, 7 days a week. Check hours locally.

**LOCATIONS SERVED:** Trailways

package express serves over 6,000 communities and towns nationwide.

**WRAPPING TIPS:** Use several smaller containers rather than one large box as bigger boxes "give" and provide inadequate protection.

Fragile items should be cushioned with air bubble plastic, styrofoam sheets or pellets, excelsior, molded plastic, or special designed creped wadding products. Do not leave any empty space on the inside of the boxes but fill with the recommended filler material. Newspapers, crumpled or otherwise, will not adequately cushion nor protect fragile items. Label the box fragile.

Put complete name and address on the inside of the container, as well as on the outside.

**SPECIAL SERVICES:** Trailways' RediBox is a pre-purchased carton that once paid for can be shipped anywhere Trailways goes. The RediBox costs \$11.95 and holds up to 75 lbs.

**MORE INFORMATION:** Contact your local Trailways' terminal.
