In Kingston Township Supervisors award contract for cruiser

In a meeting of the Dallas Township Supervisors held Tuesday, Jan. 15, a contract for a new police cruiser was awarded to Howard "Duke" Issacs, Route 309 in Trucksville.

Issacs will furnish the new 1985 Grand Fury at a net cost of \$9,807, which will include a trade in price for a 1982 Plymouth car. The car itself will include the basic accessories, but no air conditioning; as that would have raised the purchasing cost another \$673.00.

In other matters, Ecumenical Enterprises asked the zoning board to rezone the area on which they plan to build 40 additional apartments (in the Meadows Senior Citizens Complex), to an R-3, residential listing. The area is currently zoned as both S-1 (suburban) and B-

3 (business).

The supervisors discussed the possibility of fining business and residences for "false alarms" which require police time to investigate; this due to the many false burglary alarms of the past few months. The fines would range from \$10 and \$50. No formal motion was pronounced, however.

A meeting concerning the takeover of Fallbrook Avenue by the township for maintenance purposes will be held on Thursday, February 5, at 7:30 p.m. and will be open to the residents of the five homes located on Fallbrook Avenue as well as to the general public. Supervisor Frank Wagner stated that should the road be taken over by Kingston Township, it will not be paved.

It's Girl Scout Cookie Time!

The youngest legion of sales people is about to take to the streets. The Girl Scouts are coming. It is Girl Scout Cookie Time and the Girl Scouts in your neighborhood will be coming around to sell you the perennial favorites.

Penn's Woods Girl Scouts will join with 2,240,000 other Girl Scouts across the country, to bring you these delicious treats. And while they fill your orders, the girls are learning their first lessons about selling, record keeping, handling money and they are also earning the money that supports their troop activities.

Officially the Penn's Woods Girl Scout Council Annual Cookie Sale is underway. Girl Scouts throughout the six county jurisdiction of the Council will be taking orders until January 25. Deliver of cookies is slated for May 1-15.

A new cookie, called "chocollage" headlines this year's sale. It is a cookie crunch with a unique mixture of chocolate and caramel. It joins last year's new cookie, Coconut Creme Sandwiches and the traditional Scot Teas, Thin Mints, Peanut Butter Hoedowns, peanut butter sandwich Savannahs, and Golden Yangles, a snack cracker made with cheddar cheese that is also great with soup. Price of the cookies are \$2.00 per box.

Mrs. Betty Hensley, General Cookie Sale Chairperson, points out that Girl Scout cookies are made with only natural ingredients, freeze well and are called for in a number of delicious recipes. Such tempting desserts as Minted Brownie Pie, Apple-Raisin Brown Betty and Savannah Toffee Torte all include Girl Scout cookie products.

Public support of the annual Girl Scout cookie sale enables Penn's Woods Council to provide camping opportunities to Girl Scouts at a lower cost. In addition, the sales assist in the maintenance of the council's troop camp facility in Hobbie, Camp Joy Lo and the council's main outdoor facility, Camp Louise, located near Berwick. Girl Scout cookie sales also strengthen the development of council plans and further advance the overall Girl Scout program in each of the areas of Penn's Woods Council.

Volunteers and Girl Scouts are attempting to reach all segments of the community with this annual cookie sale. Persons interested in ordering Girl Scout cookies may contact the Penn's Woods Council office at 10 S. Sherman Street, Wilkes-Barre, 829-2631, where they will be referred to a troop in their neighborhood.

Neighborhood chairpersons also welcome orders and inquiries. These neighborhood chairpersons are: Helen Richardson, Kingston; Cyndi Williams, Forty Fort; Nancy Stark and Jennie Metzgar, Shavertown; Mary Smith, West Wyoming.
