## Courses

RENOWNED LOCAL ARTIST. Sue Hand, will teach the non-credit course, "How to Draw What You See," at College Misericordia, here.

Hand has studied with some of the nation's top watercolor painters. The Dallas instructor has works on display in every state and five foreign countries.

The drawing classes, opened to interested adults and high school students, will run for six consecutive Mondays, 6:30 to 8:30 p.m., beginning Feb. 4.

Three other credit-free art courses will also be offered. "Old English Calligraphy" will run for five consecutive Wednesday evenings, 6 to 8 p.m., beginning Feb. 6. Also on Feb. 6, "Stenciling" will be held from 7 to 9:30 p.m. for one evening only. "Fun With Watercolors" begins March 5 and continues for the next six Tuesday evenings. For further information and regis-

tration, call the college's Office of Special Programs at 675-2181, ext.

**TWO CREDIT-FREE COURSES** on the microcomputer will be offered at College Misericordia the week of Jan. 27.

Wordprocessing with a Microcomputer" will focus on the advantages of typing on a personal computer including storage, editing, and flexibility. Classes will run for four consecutive Tuesday evenings from 6:30 to 8:30 p.m. beginning Jan. 29.

'Introduction to Computer Literacy" will explain in basic language a general overview of how a computer works and what it is capable of doing. Designed for the noncomputer person, classes will benefit anyone interested in learning computer terminology. They will be offered on both Wednesday mornings from 10 a.m. to noon, and Thursday evenings from 6:30 to 8:30 p.m., beginning Jan. 30 and 31.

Computer Consultant Laurie Allison will instruct both courses. The cost for each is \$50.00.

MEALS THAT ARE EXCITING and delicious, but low in calories, fat and cholesterol--that's what the Cardiac Cooking Course is all about. The Mercy Hospital Wellness Center will conduct the course in six Wednesday evening sessions, beginning on February 6 through April 13. Luanne Angeli, R.D., will be the course instructor.

This educational course follows the guidelines of the New York Heart Association's "Culinary Hearts Kitchen Course", designed to teach people how to put the American Heart Association's Dietary Recommendations into practice. These recommendations are the foundation of the course: reduce fat, cholesterol, sodium, calories and increase complex carbonhydrates.

The sessions will cover basic principles of nutrition, food selection and preparation; ways to modify favorite recipes; menu planning at home and when eating out; and entertaining. Students also will see recipe demonstrations and taste a variety of dishes. The course will have special interest for heart patients and their families.

Pre-registration should be made by calling the Mercy Hospital Wellness Center at 826-3267. For further information on leading a healthy life-style, contact the American Heart Association, Northeast Pa. Chapter, 71 N. Franklin St., Wilkes-Barre.
