Planning a trip? Get birth certificate

If you are planning a trip outside of the United States this summer, there is a very important matter to attend to before you buy your ticket and pack your bag.

That most important matter is getting a birth certificate. A birth certificate is required to get a passport and getting both takes time. Persons needing these documents should begin the process at

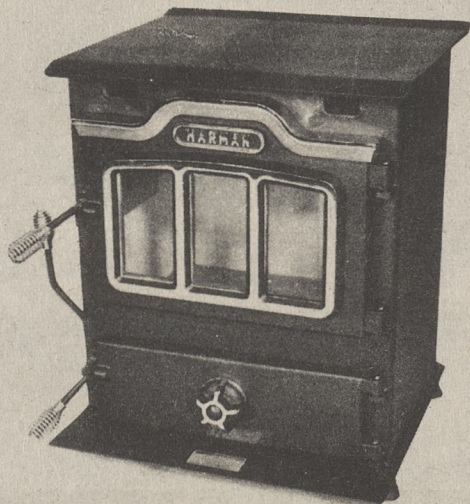

least eight weeks before the date of the trip to avoid disappointment.

Travelers to Canada, Mexico and the Carribean don't need passports but, according to Charles Hardester, director of the Division of Vital Records in the state Health Department, they definitely do need a birth certificate to prove citizenship.

Family business

Rick Ruger, Carol, Michele and Jim Eason pose with their dog, Freckles, who is a permanent visitor at the hardware store.

Eason fulfills lifetime dream

Four years ago Jim Eason left his position in sales to fulfill his lifetime dream of owning his own business so he initiated his new hardware business at 42-44 Main St., Dallas. At the time, no one knew what the future would be although since then interest has decreased from 20 to 12 percent.

Eason became affiliated with Pro Hardware, Inc., international franchise which provides goods and services to more than 3,500 independently owned hardware stores in the United States. At the time Eason opened his business, his wife, Carol, owned and operated a beauty salon above the store. Since that time, the Easons have made many changes in their business including increased inventory, expansion inside and outside, and moving Carol's beauty shop to street level, adjacent to the store.

In the near future, Jim and Carol plan

more renovations such as expanding the beauty shop, making more parking area in the rear of the store, putting in a new entrance facing Memorial Highway and additional storage facilities. Jim also plans to change the Main Street front of the building.

Working in the business is Jim, Carol's brother, Rick Ruger, and Jim's daughter, Michele. Jim, who is pleased with the decision he made in 1981, was named "Dealer of the Year" for Region 2 by Pro Hdwe. Inc. and recently was appointed to the Pro Hardware Dealer Advisory Board.

Despite working long hours, Jim loves every minute of his work. The Easons are members of Trinity United Presbyterian Church where Jim is on the board of deacons. He is also a member of the Dallas Rotary Club.
