Donald's paternal great-grandmother is Mrs. James Kane, Pitts-ton.

DID YOU EVER READ a wonderful book, enjoying everything about it, then watch a mini-series on television about said book and be completely disappointed? This happened to me recently when I watched the Evergreen mini-series. Why oh why can't television writers leave well enough alone, instead of practically changing the entire story. I think that is the last time I spoil a good book by watching it on television.

Dr. Casterline resides in Dallas with his wife and two children.

Nursery sets registration

The Trucks-ville Nursery School will hold its annual Registration Day on March 15, Friday, from 11 a.m. to 2 p.m. Anyone interested in registering their child for the 1985-86 School Year should plan to attend. Please bring your child, there will be opportunities for them to visit the classrooms, meet the teachers and play.

Our program is intended for children ages two and a half to five years old. We offer morning and afternoon sessions, the hours are 9:30 a.m. to noon or 1 p.m. to 3:30 p.m. Children are registered in one day, two day and three day or four day weekly programs for the School Year which begins the middle of September and lasts until May.

One philosophy is to help the child feel good about himself, his peers, and the world around him. We work on attitudes, socialization and helping the child gain independence. We go on a variety of field trips within our community and enjoy many nature activities.

Hearing Loss Is Not A Sign Of Old Age.

Chicago, Ill. — A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid of its kind will be given absolutely free to anyone who sends for this free model now.

Send for this model, it will show you how tiny hearing help can be. It is not a real hearing aid and it's yours to keep free. The actual aid weighs less than an eighth of an ounce, and it fits completely into the ear canal.

These models are free, so we suggest you write for yours now. Again, we repeat, there is no cost, and certainly no obligation. All hearing problems are not alike and some cannot be helped by a hearing aid but many can. So send for your free model now. Thousands have already been mailed, so be sure to write today to Department 0671, Beltone Electronics Corp., 4201 West Victoria Street, Chicago, Illinois 60646.
