HIGHEST PRAISE goes to fourth grader Sandra Bilder of West Pittston who raised \$257 to purchase grave markers for four neighbor children who were killed in a fire March 3.

Although this little lady had never played with the children, she had spoken to them when visiting her grandmother. The tragedy made her so sad that she wanted to do something nice for the family.

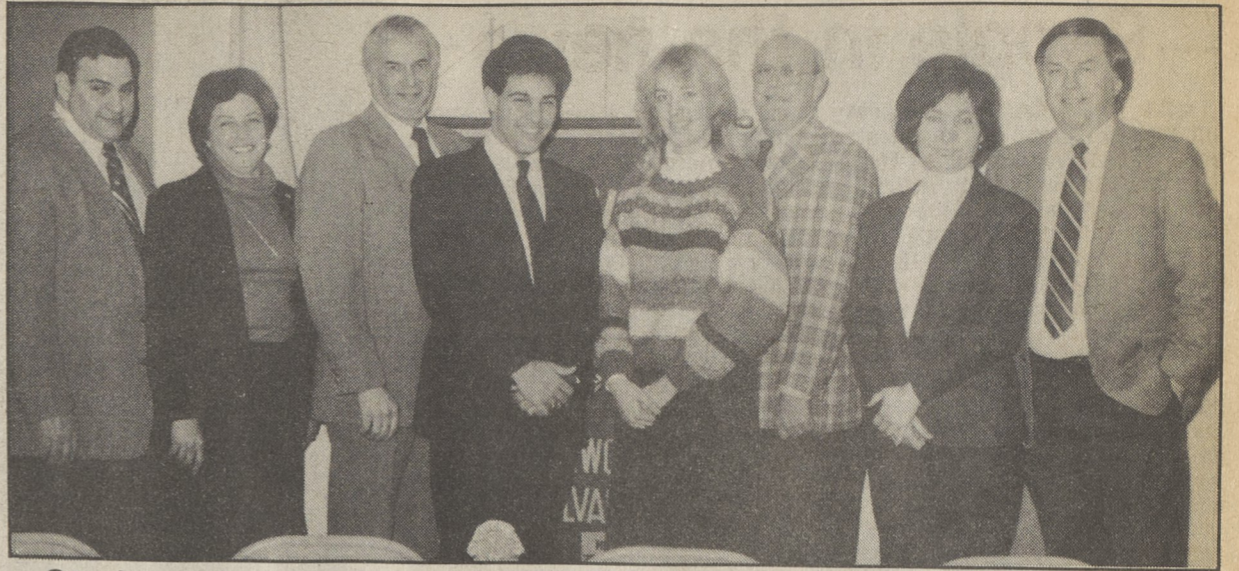

At an age when most children are concerned with child-like interests, Sandra showed concern for other people's feelings that is special. If only, we as adults, could care so much about other people.

I HAD THE OPPORTUNITY Wednesday evening to hear Sister

Dorothy McLaughlin, a registered art therapist and professor of art at Marywood College. Sister Dorothy has 30 years teaching experience, 14 of those in elementary schools.

Sister Dorothy spoke on the relationship between children's art and reading.

At a meeting of the Gate of Heaven PTG, Sister explained that each child's picture tells a story, and instead of asking, "What is it?" a more healthy approach is "Tell me about your picture." In this way you can learn so much about your child. The examples Sister Dorothy gave were so interesting, and although we probably would just write them off as a child's art work, the stories they contained were amazing.

Lake Silkworth Lions Club honors Lehman students

At its regular dinner meeting on Tuesday, March 19, held in Our Lady of Mt. Carmel Church, Lake Silkworth, the Lake Silkworth Lions Club gave recognition to two young people from Lake-Lehman High School when they named them "Students of the Year."

The two students so honored were Sandra Diction, daughter of Mr. and Mrs. James Diction of Shavertown and Michael Annetta Jr., son of Mr. and Mrs. Michael Annetta Sr. of Oak Hill.

Dr. M. David Preston, Superintendent of the Lake-Lehman School District and a member of the Lake Silkworth Lions Club, introduced the two students and their parents to club members.

Sandy participated on the school field hockey, basketball and softball teams. She was co-captain of these sports. She was a member of the Key Club, a peer tutor in Mathematics, a member of the National Honor Society. Sandy has not decided on a college at this time

although she has been offered several scholarships.

Michael participated in the Brass Choir, the Dance Band, and was selected for the District Orchestra.

He was in the school play, a member of the Audio-Visual Club and the tennis team. He was a winner in the Presidential Fitness Program. His main hobby is a home computer. He has been accepted at the main campus of the Pennsylvania State University.

The club also inducted two new members. The induction ceremony

was performed by Deputy District Governor Chester Szalkowski. The new "Cub" Lions and their sponsors are: Ernest Burka, Chester Szalkowski; Greg Sorber, Robert Sorber (a father and son team).

The welcome was given by Lion President Wayne Pettit. A beautiful song commemorating the honors bestowed that night was sung by Stanley Wojciechowski.
