Meadows Auxiliary meets

The Meadows Nursing Center Auxiliary met recently at the center in Dallas.

Director of Volunteer Services, Marilyn Gregorski, spoke to the group about the many facets of the volunteer program at the center and outlined some specific volunteer opportunities available now and gave some suggestions for one in one volunteer-resident involvement.

The auxiliary is planning two exciting projects in the near future, both of which will involve the entire community and for which we solicit your interest and participation.

On April 28, the auxiliary will sponsor an Open House at the center from 2:30-4:30 p.m.

We would like you to see the center in operation - meet the residents, staff and volunteers, tour the entire facility, see a video film of the day to day operation of the center, made by Mr. Anees Barakat. Refreshments will be served.

If you have not visited your new neighbors at the Meadows Nursing Center, please put the date on your calendar and plan to do so. You'll be glad you did.

The one thing that the auxiliary would like to add to the facility at the Meadows Nursing Center is their special contribution to the life or residents there is a chapel-meditation room.

To raise funds for this special project, the auxiliary will sponsor a flea market on the grounds of the center on June 15, with a rain date of June 22. Six foot table spaces will

be rented for \$6.00 per space to local residents, organizations, etc., and local service organizations will be asked to take part and make some special contribution to the success of this project.

The auxiliary would be grateful for contributions of home-made pies, baked goods, jellies, pickles, etc., bric-a-brac and collectibles and craft items for the tables they will man.

For information on donating or arranging for a table, or to donate items or time, please call Barbara Barakat at 675-2854, Diane Corby at 675-4893, or Catherine Bolinski at 675-5153.
