DEAR "AUNT PATTY"

DEAR AUNT PATTY:
My 12 year old brother is always belching. It's disgusting and embarrassing. His favorite time to do it is when I have my friends over my house. The more I yell at him, the worse it gets. Mom and Dad don't understand how much it bugs me. What can I do?

15 AND FED UP

DEAR 15 AND FED UP:
Lighten up. Next time your brother has his friends over, show them what your brother has taught

you. Sometimes you have to fight gross with gross.

DEAR AUNT PATTY:
We're getting big black ants in our house now that the warm weather has arrived. How should we get rid of them?

B.G.

DEAR B.G.:
I also get the black critters in my house. I sprinkle red hot pepper in corners and in my cupboard. It works for me!

DEAR AUNT PATTY:
My boyfriend and I are getting pretty close, if you know what I mean. We've been arguing for a few days about something and I can't ask anyone else. Can a girl get pregnant the first time?

NEED TO KNOW QUICK

DEAR N.T.K.Q.:
Yes, yes, and I don't mean maybe. There are millions of people walking around as living proof. Don't add to the statistics.
