Lottery announces changes

The Pennsylvania Lottery is now offering advance ticket purchases in the Big 4 game.

"We've modified our on-line computer software system to offer this additional customer service," Lottery Executive Director Lynn Nelson said. "Big 4 players will be able to purchase tickets for as many as three drawings in one visit to any Numbers Games retailer."

Starting Tuesday, May 21, Big 4 players may now purchase tickets for that night's drawing, plus the next two drawings. Advance purchase will be limited to the current drawing, plus either or both of the next two drawings.

"Big 4 drawings are held on Tuesday, Thursday, and Saturday. Soon Big 4 players can enjoy the same convenience of 'one-stop purchase' offered to Daily Number and Lotto players," Nelson explained.

"Advanced purchase features not only improve customer service, they offer players the chance to budget weekly ticket expenditures."

Advance purchase for Lotto began on March 4, 1985, and has been offered in The Daily Number game since its inception.

Fire causes \$20,000 damage

According to Bob Besecker, Fire Chief of Dallas, a structure fire early Monday morning at the home of Donald Rome, Peartree Lane, Dallas, resulted in about \$20,000 damage.

A neighbor called the Dallas Fire Company at 3:20 a.m. to report the fire which started in the basement of the dwelling. It is believed the blaze was started by a short in the wiring of an electrical heating unit.

Besecker noted that the lives of the Rome family, who were asleep upstairs when the fire started, were saved by early detection and the

alert from a smoke alarm located at the top of the basement stairs.
