**THE MAY CROWNING CEREMONY** was held in Gate of Heaven school recently. The second-grade students who received their First Holy Communion recently formed the procession and, one of their members, Lori Scott, placed the crown of flowers on the statue of the Blessed Virgin Mary. Scott Wasik was crownbearer.

**AN END OF THE YEAR** roller-skating party was held on Sunday at Bonomo's for all the students at Gate of Heaven School. Basketball players and cheerleaders had free admission. It was a happy event for the whole school.

**LAST TUESDAY**, the eighth grade traveled to Inner Harbor, Baltimore, for their class trip. The students toured the National Aquarium where they saw a wide variety of sea animals and visited the Rain Forest with its many brilliantly colored birds. They took paddleboat rides, toured a 14th century boat and shopped around the Harbor for souvenirs. Later, they visited Fort McHenry where they were shown the flag that flew over the fort on the night of September 13-14, 1814, together with the crosspiece that supported it. They toured the fort with its weapons and artillery and

viewed a film showing the first copy of our National Anthem. It was a fun-filled day for the students and no one wanted to come home at day's end.

**ON MAY 22**, the first, second and third grade teachers attended a reading workshop on Early Childhood Language Experiences by Tom Wolpert. This workshop was sponsored by the Superintendent of Schools, Diocese of Scranton and was held in St. Cecilia Parish Center, Exeter.
