UP Bank merges

Richard F. Laux, Chairman and Chief Executive Officer of United Penn Bank, announced that the merger of Security Bank & Trust Company, Stroudsburg, into United Penn Bank occurred on June 1, 1985. United Penn Bank is a subsidiary of Continental Bancorp, Philadelphia.

Mr. Laux continues as Chairman of the Board and C.E.O. of United Penn, while Glenn Y. Forney, formerly President of Security Bank, becomes President and Chief Administrative Officer of United Penn. Mr. Forney joins Mr. Laux as a vice chairman of the board of Continental Bancorp.

With the merger, Mr. Forney and six directors of Security Bank join the United Penn board of directors. They are: Frank J. Dracos, M.D., W. Peter Ahmert, Karl M. Weiler, Charles Kirkwood, Lester G. Abeloff, and R. Dale Hughes.

The merger is seen by Messrs. Laux and Forney as being advantageous to all customers of the two merging banks. "The combined resources of these two fine banking organizations will give us expanded financial tools to work with, and will strengthen the intensity of our efforts to continue to provide the most convenient facilities and the highest quality services. The merger means we can do a better job for all the communities we serve, in both the commercial and private sectors. We are, in effect, a new bank, a sound, progressive and profitable bank, firmly based on a fusion of two great banking traditions."

The resulting merger leaves United Penn with total assets of approximately one billion dollars and 36 offices in six counties: Columbia, Lackawanna, Monroe, Pike, Wyoming and Luzerne, site of the bank's headquarters.

PRAYER OF SUPPLICATION TO THE HOLY SPIRIT

Holy Spirit, you who solve all problems, who light all roads so that I can obtain my goals, you who give me the divine gift to forgive and forget all evils against me and that in all instances of my life you are with me. I want this short prayer to thank you for all things and to confirm once again that I never want to be separated from you and even in spite of all material illusions, I wish to be with you in eternal glory. Thank you for your mercy toward me & mine. Say for 3 consecutive days. After 3 days the favor requested will be granted even if it may appear difficult. This prayer must be published immediately after favor is granted without mentioning the favor. Only the initials should appear at the bottom. Thank You Holy Spirit. R.M.L.

Lake-Lehman Band participates in Festival

The award winning Lake-Lehman Band, under the direction of John Miliuskas, traveled to Atlanta, Georgia to compete in the 1985 Festival of Music which was held from May 15th through the 20th.

Bands from Florida, South Carolina, Maryland, Tennessee and Pennsylvania were represented at the Festival. Competing in Stage Band, Concert, Field Sho, Parade and Indoor Guard, the band won 13 trophies. Of these 13 trophies, nine were 1st place in their competing class and three were Overall Best in the Festival.

While at the competition, the band took part in three band clinics given to them by Dr. William Rivelli. Dr. Rivelli, from Michigan State University, is considered the foremost Dean of Band Directors in the United States today.

The high point of the competition came about when Lake-Lehman was chosen as the Honor Band on the Awards Presentation Night. At that ceremony, all band and chorus groups came together at the Convention Auditorium and Lake-Lehman was chosen to perform for

all the groups. Dr. Rivelli directed a march and Director John Miliuskas directed an overture. The band, directed by Dr. Rivelli, ended the program with the playing of "God Bless America" as the audience sang.

Returning home with 13 trophies was certainly important to the band

but returning home knowing they had been so honored by Dr. Rivelli was even more important to this group of fine young musicians.

Banks merge

EEl seeks residents

Ecumenical Enterprises Inc. (EEI) owner and operator of The Meadows Apartments and Nursing Center in Dallas, was recently notified by the Farmers Home Administration (FmHA) that additional applications of interest from area residents for EEI's proposed 40 elderly and handicapped apartments called the "High Meadows", will be necessary in order to further process the loan application for \$1,500,000.

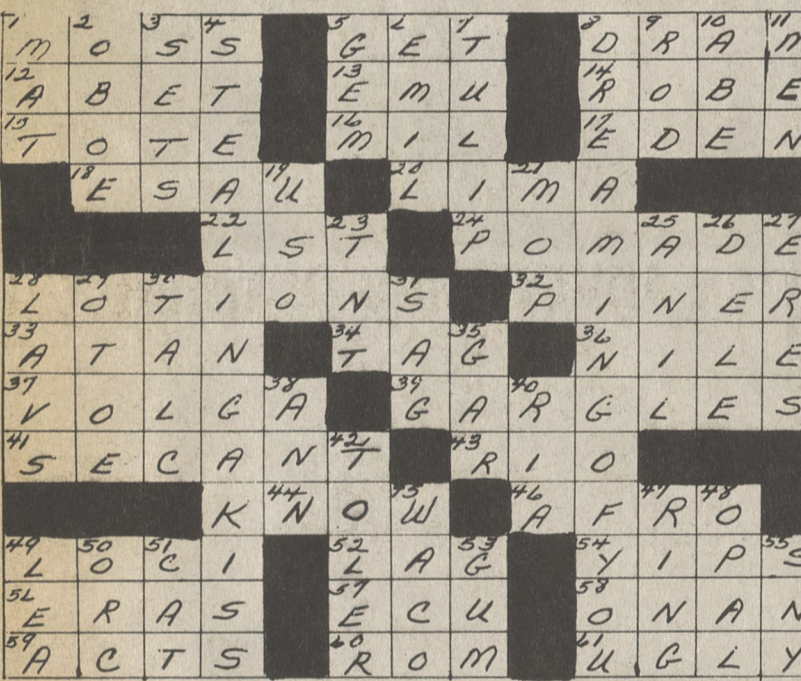

Ray Condo, Executive Director of EEI stated that FmHA wants a guarantee of at least 60 eligible elderly (62 and over) or handicapped persons whose incomes are above the \$13,000 annual range. In

addition, FmHA wants further evidence that those people in renting two bedroom units can justify the need for two bedroom units for medical or other just reasons. FmHA needs a documented survey to meet its program criteria even though they believe the proposed apartments can be easily rented to individuals with lower annual incomes.

The FmHA Rural Renting Housing Program provides 1 percent mortgages to eligible borrowers such as EEI, a non-profit religious affiliated corporation.

Anyone who has not already placed an application on EEI's waiting list, is encouraged to contact the Meadows Apartments at 675-6936.

Sodding work set to begin

Residents along Harris Hill Road in Kingston Township should be aware that the Township has contracted with the Midway Garden Center to apply 2,800 square feet of sod to road embankments in that area. The sodding work is being done to remedy an erosion problem created as a result of street reconstruction in that area in 1984.

Workers from Midway Garden Center will be distributing fliers to those residents who will have sod placed in front of their properties. The Township asks the cooperation of the residents in following the contractor's instructions for proper care and watering.

The Midway Garden Center is also scheduled to seed an embankment adjacent to the Township Municipal Building, 11 Carverton Road. Work on both projects is expected to begin on or about June 4.
