Kiwanis Club plans old-fashioned circus

Arrangements have been completed between representatives of the Kiwanis Club and Circus USA to bring an old-fashioned tented circus to Dallas on Saturday, July 6, at Fall Fairgrounds on Route 118.

This year the circus features the Great Wallenda Duo with Enrico and Debbie Wallenda's high wire act.

The circus, whether it is magic, illusion or real is a treat for children of all ages. Some of the top acts in the circus field from the civilized nations of the world will be seen.

Trained domestic and wild animals, including a performing elephant, are with the circus coming to town. Tents will be erected early circus day at the circus grounds.

Mr. Link Lindquist of the Kiwanis

Club says that funds raised by the circus project will be devoted to the civic and charitable activities of the organization. An advanced sale of tickets, at reduced prices and for the benefit of less-fortunate citizens, is now in progress throughout the area by aides of Circus USA.
