Blood drive planned for July 1

July 1 is slated for the first blood drive of the summer season in the Back Mountain. The Red Cross announced that the Meadows Nursing Center and the Meadows Apartments, Dallas, will participate formally, for the first time by providing the facility and many of the supporting services.

The Meadows Apartments opened its doors to residents in February, 1982 and in August, 1983 the Nursing Center commenced operations. at the Meadows Nursing Center arranged for the complex to take part.

The blood drive will be held at the Meadows Apartments, 220 Lake Street, Dallas, in the Community Room on July 1 between 11:45 a.m. and 5:45 p.m. The Red Cross Blood Center in Hanover has asked the council to accept a target of 190 pints. Past history shows that this should be met easily. Regular donors in the Back Mountain will be receiving calls during the two week period before the bloodmobile.

"This is a period when we find the need often exceeds the number of donations," reported Paul Hodges, Donor Resource Director at the Blood Center and also a resident of

SUMMER HAS COME INTO SEASON, although the weather has not been too warm yet. It seems that summer is cool in the beginning, then warm, warm, warm

when the kids go back to school! Isn't it nice, though, to have these nice, clear days to enjoy, even if it isn't hot, the sunny weather is so cheerful.
