Krasner honored

Sharon Krasner, Harveys Lake, a liberal studies major, was presented the Alpha Sigma Lambda Award for Academic Excellence from College Misericordia. The Alpha Sigma Lambda Society dedicated to the advancement of scholarship and recognizes the high scholastic achievement of part-time students. The award ceremony was followed by a reception in Merrick Hall at the Dallas campus. Attending the awards ceremony, from left, Dr. Lee Williams, director of the liberal studies program, Suzanne Farley, Jeanne Pittinger, and Ms. Krasner.

Play school held

For the last six weeks the Advanced Child Development Class of Lake-Lehman High School held a play school for three and four year olds. The children were invited to participate in the play school by members of the class. Their day consisted of such things as arts and crafts, story time, music, snack, games, field trips within the school and other special activities. Members of the Advanced Child Development classes are: Barbara Anderson, Cheryl Campbell, Chris Harrison, Blaise Hoyt, Debbie Ide, Lori Pantle, Patricia Shiskowski, Corrine Smith, Shirley Spencer, Koren Strickland, Helen Wilkes, Carol Cragle, Dawn Cragle, Thelma Glatz, Stacey Lybolt, Tracey Major, Donna Mead, Amy Nordfors, Cindy Scavone, Heather Sorber, Kim Sorber, Jill Steifel, Pam Vollrath, Patricia Weaver, Cathy Arnold, Karen Austin, Brian Bregman, Maureen Cole, Sheila Coombs, Monica Fletcher, Michelle Gialanella, Lori Gosart, Candy Heiser, Linda Hobbs, Tammy James, Linda Keen, Patricia Reed, Juanita Swire, and Kim Watkins. Mary Alice Lukasavage teaches the classes. Shown above are the three and four year olds who attended the play school. From left, first row, Alexandra dulski, Crystal Zacharias, Sandi Clark, Stephanie Pineno, Chad Sorber. Second row, Michelle Alters, Carrie Race, Rebekah Brighthaupt, Danny Williams, Eddie Keller. Third row, Michelle Stolarick, Joey Solinski, Nikki Newell, Patrick DeRemer, P.J. Margellina. Absent at the time of the photo were Rhonda Forster, Andrew Gaia, Jason Pearce and Chris Rogers.

Studies completed

Students enrolled in the Surgical Technology Program at Luzerne County Community College recently completed their final semester of study and are now eligible to receive one-year Certificates of Specification for successful completion of the program. The program is designed to provide students with the knowledge of the need for surgical intervention, an understanding of the role of the operating room assistant and the responsibilities of the position, and supervised experience in the operating room performing the duties of an operating room assistant. Among those who completed the program are, from left, seated, Karen Licata, R.N., Mountaintop, surgical technology instructor; Maureen Minsavage, Nanticoke; Joann Bolton, Mountaintop; Lisa Medwick, Kingston; Cathy Kairewich, Hazleton; and Lisa Hensley, Pittston. Standing, Carolyn Brubaker, Dallas, surgical technology instructor; Andrea Romanczuk, Pittston; Diana Waugh, Luzerne; Wendy Strubeck, West Pittston; Richard Sepela, Wilkes-Barre; Michael Zugarek, Wilkes-Barre; Tina Turpak, Dallas; Michelle Versace, Kingston; and Mary Anne Owens, Nanticoke, director of surgical technology program at LCCC.

Forum conducted

Campus activists, including both professional staff and students, participated in a recent forum on nuclear awareness at the Penn State Wilkes-Barre campus in Lehman. Shown speaking during a panel discussion is associate professor of physics Dr. Thomas Winter, who also lectured on the physical effects of a nuclear detonation. Other faculty members, representing many points of view, who participated in the forum include, from left: Paul Tweedy, lecturer in political science; Dr. Carl Pratt (standing), assistant professor of biology; Dr. Robert Merrill, assistant professor of English; John Graham, mathematics instructor; Winter; Dr. David Rice, director of academic affairs; Dr. Fred Stefon, assistant professor of history; Harold Johnson, instructor in management development; and Dr. Dudley Snyder, assistant professor of chemistry.

Named to Sem faculty

Carolyn Jones Stine has been appointed to the Upper School faculty at Wyoming Seminary, Kingston, according to Dr. Wallace F. Stettler, president of the college preparatory school. She will be a member of the science department, teaching chemistry, and will be assisting in various coaching responsibilities. Mrs. Stine was a member of the Wyoming Seminary faculty, teaching chemistry during the 1972-73 school year and also taught chemistry and physics at St. Ann's Academy in 1970-71 and Wilkes College from 1974 to 1984.

She is a 1957 graduate of Wyoming Seminary and received her B.S. Degree from Goucher College, Towson, MD, and M.S. Degree from Wilkes College. Mrs. Stine who resides in Dallas with her husband William and daughter Catherine, is an active volunteer and crew member with the Dallas Ambulance Association and is also secretary for the Back Mountain Women's Softball League and Dallas Borough Zoning Board. She is a qualified Emergency Medical Technician and CPR instructor. She will begin her teaching duties in September.

CAROLYN JONES STINE

Dallas sets registration

The Dallas School District has requested the cooperation of parents who have children of school age who have not been registered for the 1985-86 school year. Gerald Wycallis, Superintendent, says it is essential that the school district be informed of all new students planning to register, especially the Kindergarten and First Grade students. Problems occur with class assignments and transportation when students are registered late. He said the Dallas School District encourages parents of new students or those transferring from other

schools to register their children immediately. All Kindergarten through 6th grade students are to register at the Administration Building, Church St., Dallas with Mrs. Farr. Junior and Senior High students will register at their respective school offices located on Conyngham Ave. Parents must bring birth certificates, report cards from the previous school, and immunization records. No student will be allowed to enter school without the required immunizations. If there are any questions, call 675-5201, ext. 262.
