Around town

I'VE HEARD REPORTS that the recent presentation of My Fair Lady by Showcase Theatre was great. Our own Jane Tomassetti of Trucksville was director of the play. Jane is a very talented woman having starred in various plays as well as directed.

BEST OF LUCK TO Tony and Lois Macri, new owners of the Overbrook Inn on Overbrook Ave. in Dallas. Ribbon cutting ceremonies for the grand opening were held last

week. Italian specialties including pasta, seafood and veal dishes. Sounds like a delightful place to enjoy an evening out.

CONGRATULATIONS to Ruth Gavazzi, Dallas, who was one of five Wilkes College freshmen to win a \$1,000 Grace Kimball Scholarship for freshmen biology students.

AT NURSERY SCHOOL we concentrate on children learning about the world around them. During the fall, we study the changing autumn leaves, animals preparing for winter, the life cycle of the monarch butterfly, any changes in nature. I felt that since the leaves seem so pretty this year (my daughters insist that I say this every year) I should allow the children to use the leaves in many of our art projects.

Leaf prints are always nice. A leaf is placed on a piece of paper, then the paper is sprayed with paint, leaving the outline of the leaf. We chose a day that we thought would be nice and calm. It looked so still outside. Mrs. Edith Pillarella, head teacher at Trinity Nursery School, kindly volunteered to help me.

We gathered up our equipment, made our way to the side yard and proceeded. All of a sudden, the wind started to blow like the North wind, whipping around paper, leaves, not to mention flying paint. Toddlers scurried here and there, picking up papers, while teachers tried to hold down papers, leaves and spray paint at the same time. Yes, we finished the project; no we didn't get too painted up; and boy, did we have fun. And despite all the wind,

the prints came out just fine.

BEST WISHES TO Mr. and Mrs. Timothy Brennan who were recently married in The First Presbyterian Church, Wilkes-Barre. Rev. Andrew Pillarella, pastor of Trinity United Presbyterian Church performed the double ring ceremony.

Mrs. Brennan, the former Gerri Sue Fry, daughter of Mr. and Mrs. Francis N. Fry, South Main Street, Wilkes-Barre, is a graduate of Dallas High School and Luzerne County Community College. She was employed as an assistant manager at Franklins Family Restaurant at the downtown Wilkes-Barre location.

Mr. Brennan, son of Mr. and Mrs. Joseph P. Brennan, 191 S. Main Street, Dallas, is a graduate of Dallas High School and the Pennsylvania State University where he received a bachelors degree in biology. He will attend Palmer College of Chiropractic in Davenport, Iowa.

Following a trip to Barbados, the Brennans will reside in Davenport.

IT'S SO NICE TO SEE that The New Community Singers of the Back Mountain are gearing up for another sensational season. They will be performing at the Luzerne County Folk Festival on October 20. The group is under the direction of Shirley A. Mahle. Elaine St. Claire is her accompanist. Anyone interested in having the group perform may call Shirley A. Mahle at 675-3249 or Marianne Williams at 675-3151.

DR. AND MRS. JAMES JUDGE, RD 5, Box 338, Sutton Road, Shavertown, announce the engagement and approaching marriage of their daughter Maureen to Wayne Devine, son of Mr. and Mrs. Melvin Devine, 130 Lincoln Drive, Shavertown.

Miss Judge, a graduate of College Misericordia with a B.S. in Elementary and Early Childhood Education, is employed at the Wilkes-Barre Family YMCA as pre-school and aquatic director.

Mr. Devine is a graduate of Penn State Wilkes-Barre campus with an associate degree in Electrical Engineering and is employed by Commonwealth Telephone Company.

The couple will be married on October 19 in St. Therese's Church, Shavertown.

National 4-H Week noted

In Luzerne County some 2,901 4-H members are observing National 4-H Week, Oct. 6 to 12, according to Christine A. Tomascik, Extension Home Economist-Youth. The Luzerne County 4-H'ers are among nearly 4.5 million young people across the country who will participate in the week-long celebration using the theme "4-H For Youth, For America."

"What we do for our youth today, we do for America tomorrow," said Tomascik in explaining the theme. "Through 4-H, young people can acquire knowledge and develop life skills that enable them to become self-directing, productive and contributing members of our society. Specifically, they learn good health habits, develop respect for themselves and others, explore career and leisure time opportunities share responsibility for preserving the environment, learn how to use technology, and develop leadership and citizenship skills through participation in 4-H. And, that's something to celebrate."

"But 4-H is not only for youth," Tomascik added. "It's for adults, who as volunteer leaders can share their skills and expertise with young people. It's for families, who can participate in the fun and learning together. It's for the community, which benefits from the community service carried out by youth. And, it's for America, which benefits as a

new cadre of leaders takes its place in our society."

It is through this network of volunteer leaders, state land-grant universities, state and local governments, and the U.S. Department of Agriculture, that 4-H has been able to stimulate youth to develop life skills. In Luzerne County some 206 adult volunteer leaders work with 2,901 boys and girls from 8 to 19 years of age in 113 4-H clubs-groups through the Cooperative Extension Service at Pennsylvania State University. Programs are conducted in 3,150 counties nationwide. In addition, some 82 countries around the globe enroll approximately five million youth in programs similar to 4-H.
