District court

Shavertown man faces charges

A Shavertown resident will face charges of simple assault and disorderly conduct on November 18 before District Justice Earl Gregory stemming from an October 23 incident where the defendant allegedly assaulted a 73-year-old school bus driver.

Scheduled to appear before Gregory is 18-year-old John Charles Spencer of 145 Manor Drive, Shavertown.

According to an incident report filed by Kingston Township patrolman Walter Balavage, Spencer was riding on a Dallas Area School bus along with first and second graders, when the incident reportedly occurred.

The report filed with Gregory says Spencer was using "obscene" language in the presence of the small children and the bus driver, Afton Reese, ordered Spencer to stop using the foul language.

Spencer reportedly retorted, "I do not have to stop," to Reese and continued to use the obscene language.

Reese then stopped the school bus near the intersection of Shadetree and Woodbine street, Midway Manor, Dallas, and pulled a crowbar out from under his seat and

ordered Spencer off the bus. Reese told police that when Spencer left the bus he began using obscene language again and was banging on the side of the bus. Reese said Spencer then climbed back into the bus and pulled the 73-year-old bus driver out onto the street where Reese fell onto a nearby sewer grid.

The report continues that Spencer

then took the crowbar and began banging a nearby stop sign while Reese laid on the street. A nearby neighbor scared Spencer away from the scene, the report states.

The report also states that while Spencer and Reese were confronting each other, some of the first and second grade children were crying and climbing out of the emergency exit of the bus.

A HAPPY & SAFE HALLOWEEN

- Try to Trick-or-Treat when it's still light outside.
- Wear a costume that makes it easy for you to walk, see and be seen.
- If you must go out at night, make certain that your costume is light in color.
- Carry a flashlight so you can see and be seen easily.
- Use reflective tape on your costume so people driving cars can see you.
- A face mask will keep you from seeing well. Take off your mask before you cross a street.
- Why not use makeup instead of a mask?
- Have a parent, older brother or sister go Trick-or-Treating with you.
- If someone older cannot go with you, Trick-or-Treat with a group of children.
- Plan your Trick-or-Treat route ahead of time. Pick streets that are well lighted.
- Tell your family on which streets you will be Trick-or-Treating.
- Cross only at corners. Never cross the street between parked cars or in the middle of a block.
- If there is no sidewalk, walk facing traffic.
- Wait until you get home to sort, check and eat your treats.
