Scouts tour park

Cub Pack 155 of Trucksville went on an Indian nature hike under the direction of Park Naturalist Jeff Smith at Frances Slocum Park. The scouts were informed of how the Indians survived and where and what they lived in the area. At the end of the hike, we found ourselves in a lean-to type rock formation, which is the most unique part of the trail because Jeff Smith tol the story of Frances Slocum. These, nature hikes are provided free of charge to all groups, starting from March and ending in Decmeber. Pictured are scouts who attended: Adam Hoover, Danny Natitus, Ryan Boraski, Terry Meehan, Jason Seward, Albert Cheskiewitz, Brian Achuff, Tony Cox, Eddie Williams, Den 7, Jason Reynolds, Chris Repotski, Brian Motosky, Douglas Bulford, Bill Bullock, Tommy Cutza, Cory Moyer, Shawn Mahelski, Den 1, Robbie Ricker, Jarrod Cooney, Ronnie Yanchick, Mike Simonson, Den 5 also pictured Mike Repotski, Cubmaster, Scott Banta, Den Chief, and Jeff Smith, Park Naturalist.

Scout Haunted House is successful

For the first time Harveys Lake Boys Scout Troop 331 constructed a haunted house in the small Old Beaumont School Building. It was clear by the size of the waiting line and the number of people venturing to go through it that it was a big success and got the meaning of Halloween across to all who entered it.

Most of the decorating was done under the direction of Norma Nafus with the following helping and participating in its success: Clara Shupp, Sandy Lewis, Carol and Jim Culver, Chet and Linda Koprowski, Barry Sr. and Peggy Pahler, Sandy Gramley, Carson Jr. and Judy Gramley, Alice Williams, Ted Nafus, Barry Pahler Jr., Chet

Koprowski, Leroy Wolf, Kim Harris, Doug Clark, Rachel Harvey Caryn Gramley, Ray Hall, Heath Williams, Derrick Balagna, Tommy Lewis and Billy Blansett.

Boy Scout Troop 331, its committee members and others that helped, would like to thank all who came and also to the Monroe Township Supervisors for allowing them to use the building. Once again thanks and we hope to see you all next year.

HALLOWEEN HAS PASSED once again and I for one can now breathe a sigh of relief. My own daughters are old enough to create their own costumes, which were quite original. Nicole was a bat, Nancy a turn

of the century paper boy. My son, Billy, like many of the kindergarten male population, chose a He-Man character costume.

At Nursery School, Halloween is one of the big holidays. We teachers got into the spirit of things by dressing up; I was a witch, Mrs. Davenport a scarecrow, and Mrs. Higgins was a little girl. All of the children had absolutely beautiful costumes which I'm sure took a lot of time for their Moms to make.

We had our parade for the parents, played some games, had a lovely party, tried to get everyone to take a short rest (never an easy task) before their parents picked them up.

You know it's really amazing, the children looked just great, full of energy, when it was time to go home, but energetic could never describe how the teachers felt.

FOLLOWING OUR HALLOWEEN CELEBRATION at Trinity Nursery School, Billy and I headed for the annual Halloween Fair at Gate of Heaven School. Mrs. Joan Sholtis and Mrs. Jane Schultz did a great job with this year's fair, which included various games, food, and different items for sale. The children and their families had a great time. The older children operate a lot of the games. The eighth grade always manages the Haunted House, complete with ghouls, cobwebs, and eerie sounds.

I'm sure I can safely say that a great time was had by all.
