at the hands of Crestwood. "Yes, I was concerned we would let down after last week's loss," said Gorgone. "I was concerned because of the way we played so poorly last week. It was a good win for the kids."

The Black Knight victory ensured Gorgone a winning season heading into this Saturday's season finale against the Dallas Area Mountaineers. Lake-Lehman is 6-4 overall this season while posting a 4-1 slate in the Division III WVC.

"That was one of our main goals this year," Gorgone said in reference to a winning season. "We knew at the start of the season we were

very young and inexperienced. So ending with a winning season is good for the kids," Gorgone said.

Lake-Lehman and Dallas will go head-to-head this Saturday on Mountaineer turf in the traditional "OLD SHOE" game starting at 2 p.m. Gorgone looks for tough game and the unexpected play.

"Anything can happen in a game like this," said Gorgone. "Ted (Ted Jackson, Dallas Head Coach) and I are good friends and it should be interesting to see how we coach against one another. It (the Old Shoe) is always a good game and a fine way to end the season. It is just good for the Back Mountain Area," Gorgone said.

Dallas hockey team eliminated

Dallas District 2 Class AA field hockey team, which ended the season with an 11-2 record, was eliminated in the PIAA interdistrict playoffs, Tuesday, Nov. 5, when the Lady Mountaineers lost, 4-1, to a strong Lackawanna Trail team, coached by Janet Finn.

The young Mountaineers played well the first half, breaking away fast and scoring at 12:47 in the first half to go in front 1-0. Linda King made the goal unassisted.

The Lions coach saw that Dallas was a quick-moving team so she

made some changes to wear down the Mountaineers. Coach Finn moved her right wing to the right inside and changed the wings around and the Lions started scoring.

Gibson made two breakaway goals in the first half, scoring unassisted at 24:37, and a second goal with an assist by Christy Gibson at 29:40 of the half to give the Lions a 2-1 lead.
