

**Wintery scene**

This creek that runs along Hillside Road provided some beautiful winter scenery following last week's first major snowstorm.

Dallas Post/Ed Campbell

**Beautiful sight**

The Huntsville Dam is always a pretty sight, but even prettier in the winter months. In this photo, the dam is shown following last Thursday's snowstorm, providing some beautiful winter scenery.

## Push

(Continued from page 1)

ton Township.

Potzer also explained that in October, a state ordinance was passed that local police may make arrests on state highways. They may make arrests for speeding, drunken driving or direct traffic, something they were not allowed to do in the past.

Recently, Joseph Bren of the Kingston Township Police Department was certified for the intoximeter and for calibration of the Vascar.

Potzer explained that if the town-

ships were disallowed to use Vascar, it would be a terrific blow to their safety programs since House Bill 1427 in July designated the use of radar for state police only. Kingston Township has a written policy stating how Vascar and where Vascar maybe used. If used in an arrest, the arresting officer has everything needed when taking the offender into court.

Potzer also explained that effective Monday, Dec. 16 through

Christmas, extra police will patrol the shopping centers; there will be extra evening patrols and additional foot patrols in the shopping districts for the protection of merchants and shoppers.

On Dec. 4, quick action on the part of Kingston Township Police Chief Paul Sabol, Patrolman Walter Davis and Patrolman Michael Moravec saved the home of Dale Duncan, Atherholt Drive, Trucksville, from substantial property damage.

## Board

(continued from page 1)

president Don Jones, announced committee chairmen for the coming year as James Richardson, cafeteria; Dr. William Camp, education; Ernest Ashbridge, finance; Thomas Landon, personnel; John George, policy; Harry Sickler, property; Tex Wilson, student activities; and Albert Pisaneschi, transporta-

tion.

The awarding of the contract for the installation of a new water line at the Dallas Intermediate School building was tabled until a special meeting, Tuesday, Dec. 17, in order

to give Gerald Wycallis, district superintendent, an opportunity to discuss the special time element with Harrisburg as well as the relative cost with water company officials.
