

# School

-Dallas Post/Ed Campbell

## Concert presented

This group of fifth grade students from the Dallas Intermediate School, all who have played musical instruments for just six weeks, joined with the sixth grade band for a Christmas program recently. Reese E. Pelton is the band director

## GATE OF HEAVEN SCHOOL NEWS

MICHAEL FARRIS

APRIL YATSKO

**FIRST & SECOND GRADES:** Invite you to their Christmas play at the Gate of Heaven School Gym, Dec. 18, beginning at 7:30 p.m. The name of the play is "Santa, the Mechanic Fanatic." Ben Strvinsky (4th grade), Greg Stahovec (7th grade), Greg Shoenig (3rd grade) Carrie Reid (6th grade) appear as Mr. Smith Santa: The Repairman, and Mrs. Jones, respectively, while the Robots and Elves are portrayed by first and second graders. It will be an evening of great entertainment, so please come. Admission is \$1.00 for adults and 50 cents for

children. Proceeds go toward play expenses.

**THIRD & FOURTH GRADES:** They also invite you to their play entitled "No Vacancy." Narrator: Susan Rygelski; St. Michael, Robert Costello; Inn Keeper, Shane Williams; Inn Keeper's Wife, Nicole Naugle; Mary, Christine Berezich; Joseph, James Moran; Shepherds, Mark Finarelli, Brian Ginochetti, and Sean Reynolds; Sages, Paul Bigus, Robert Lawrence, Patrick O'Neill; Travelers: third and fourth grade students dressed just like that-travelers!

**FIFTH, SIXTH, SEVENTH AND EIGHTH GRADE STUDENTS** are busy decorating the classrooms and halls for Christmas. The school is really looking very decorative and the little ones are awaiting Santa's visit next week.

**THE ENTIRE SCHOOL** will be participating in the project - "The Nutcracker." There will be four buses leaving the school at 10:45 a.m. tomorrow for the Darte Center to see the Wilkes-Barre Ballet's "The Nutcracker." Mrs. Nancy Garvey is in charge of the project, assisted by Mrs. Chris Gilgallon, school secretary.

**THE CHRISTMAS HAM DINNER** scheduled for Thursday will be enjoyed on Wednesday. This should be a nice treat for the students.

**THE STUDENT COUNCIL** thanks everyone who helped make the "Toys for Tots" collection a success.

**PLEASE CONTINUE** to save your aluminum cans, tin foil, aluminum siding, etc. for the Student Council collection which will take place during Catholic School Week, February, first week.

**THE GATORS** hosted Holy Child Chargers of Plymouth last night. The Gators lost both JV and Varsity games but show a rapid and continuous improvement in their playing. Good luck in future games, Fellas!

**WE HAVE RECEIVED** the SAT and Otis Mental Ability test results, and parents will be receiving the student profile soon.

**WE SINCERELY WISH EVERYONE** a very Merry Christmas and a Prosperous New Year, 1986. We thank the Dallas Post for their giving us the opportunity to tell you about what is happening in our school.

## LCCC adds new telecourses

Added to the list of new telecourses to be offered by Luzerne County Community College during the Spring semester are America: The Second Century and Planet Earth.

America: The Second Century will be offered on Monday and Friday mornings from 7 to 7:30, beginning January 20 and continuing through May 2, over WVIA-TV 44.

This 30-part college-credit television course will review crucial events and issues in recent history, including the Great Depression, the rise of big business, Roosevelt's New Deal, World Wars I and II, the Cold War, and the struggle of Black America.

Enhancing its comprehensive exploration of the past are on location visits to historically significant sites, as well as commentary by leading historians and scholars Henry Steele Commager, Arthur Link, Arthur Schlesinger, Jr., and John Kenneth Galbraith.

America: The Second Century is a production of the Dallas County Community College District. Dr. Robert Mittrick, professor of history at LCCC, will facilitate the program.

An introductory study of the state of our planet, including its interior oceans, continents, mountains, volcanoes, energy, mineral resources, climate, sun and atmosphere, will be featured in the Planet Earth telecourse.

This seven-part college-level television course will be offered on Wednesday evenings from 9 to 10, beginning January 22 and continuing

through March 5, over WVIA-TV 44. Among the topics that will be explored in the series are the theory of plate tectonics, one of the most important discoveries of the 20th Century; the ocean; and Earth's "normal climate," which scientists believe no human beings have ever experienced.

## Bow Windows...Energy tax credit...Jack Frost

What do they have in common?

### R.E. Smith Window Specialists

If you have problems with your existing windows, standard or bow, the energy consultants at R.E. Smith Window Company can offer you energy efficient solutions plus

- information on federal energy tax credit
- low off-season rates now in effect (15% discount through February 28, 1986)
- replacement of existing windows (standard or bow) without major construction

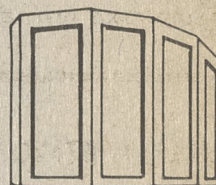

Call your local window energy consultants today for an appointment.

## PSU has new course

To "convert" your thinking to the metric way of life may be easy, with help from Penn State's correspondence course on Everyday Measurements and Calculations in the Metric System.

Mark Shaw, Penn State associate professor of agricultural engineering, and author of the metric course, points out that information is designed to help you deal more confidently with common math problems.
