### Books donated

Mrs. Grace Martin, former Lake Elementary teacher, has donated her collection of Newbery Award Books to the Lake-Noxen Elementary Library. The Newbery Award is an award given to an author, for the best written children's book of the year, and is selected by a well known panel of librarians educators and publishers. There has been a book every year since 1922. The first book selected was, *The Story of Mankind*, by Hendrick William Van Loon. Mrs. Martin started collecting the books to share with her classes at the former Lake Elementary School. She retired from 32 years of teaching in 1972. The new Lake-Noxen School has a beautiful library which serves the children from Kindergarten to sixth grade. Many of the pupils who attend are children and grandchildren of students of Mrs. Martin. Shown here, from left, are Robert S. Kunkle, Lake-Noxen Elementary Principal; Mrs. Marjorie Cosgrove, former Lake-Lehman librarian; Ms. Barbara Wall, Lake-Lehman Elementary librarian; and Mrs. Grace Martin, former elementary teacher at Lake Elementary School.
