## Wednesday/ Jan. 29

**THE SHAVERTOWN UNITED METHODIST CHURCH**, 163 North Pioneer Avenue, will hold a Bible Study, tonight at 7:15 p.m.

**FIFTY YEARS OF PRINTMAKING** is currently on exhibit at the Art Gallery, College Misericordia. The traveling exhibit from the Jane Haslem Gallery, Washington, D.C. will be shown until February 18.

Gabor Peterdi, a major innovator in American printmaking, has been instrumental in revolutionizing the way in which Americans perceive prints and printmaking. This comprehensive exhibit includes early line engravings, color prints with combined techniques, oversized dry-points and recent prints in which each image pulled delivers a unique impression.

This collection of works, from Peterdi's impressive portfolio, spans 50 years of his life. At age 73, Peterdi is still teaching art classes at Yale as he has done for the past 45 years.

The exhibit can be seen free of charge each weekday and on Sunday, 1-4 p.m., at the Art Gallery on the Dallas campus. Saturday appointments can be made by calling 675-2181, ext. 247.

**THE DALLAS INTERMEDIATE SCHOOL P.T.O.** is sponsoring a mini-concert for the Nutcracker, given by the Wilkes-Barre Ballet Theatre. The single performance will be given Wednesday, Jan. 29 at the Intermediate School for the entire student body.

The 45 minute production will highlight the key segments of the Nutcracker, with the players and performers in full dress costume. The ultimate purpose in this presentation is to allow the students to experience the culture of the theater, by the characters performing the basics of ballet and dance.

This is the first of several programs the P.T.O. will sponsor and fund for the school in 1986. The Program Committee, headed by Lynn Romano, is responsible for initiating these very worthwhile and educational experiences.

**GARY BOERCKEL**, a piano-playing professor, will present a foot-stomping, hand-clapping performance at Walsh Auditorium on January 30, 8 p.m. at the Dallas campus.

Boerckel offers three programs, "Scott Joplin: Ragtime Barrelhouse to Opera House," "Ragtime from Joplin to Jelly Roll" and "Jazz Pianists of the Twenties."

Boerckel is a graduate of the Oberlin Conservatory and Ohio University, and was awarded a doctorate in piano performance from the University of Iowa. An accomplished concert pianist and chairman of the music department at Lycoming College, he uses his classical keyboard training to master the style of this uniquely American art form, ragtime piano.

College Misericordia invites the public to attend this program, free of charge.

The admission fee will help to send the Varsity and Junior Varsity Squads to compete in the National High School Cheerleading Championship in Orlando, Florida, in February.

A special feature of the Skating Party will be the chance for parents to drop-off their children and know they will be supervised by both the Cheerleaders and the Cheerleaders' parents.
