The Ertle Car Show was a spectacular event. There were cars hanging from the ceilings, and ramps with cars on them so you could look out or look down and enjoy the "suspended look" of all those autos.

It was a beautiful show, if you didn't see a car that fit your fancy then you weren't looking for one. The price was there, any price so one had to fit your pocketbook. For the "jet set" there were sport cars for the students there were used cars in excellent condition, and for the executive there were Cadillacs and Mercedes Benz, and for anyone there were all those in between. If you missed it, you really missed a neat experience. From all those "sold" signs in the windows I'd say the Ertle Dealership had a successful unusual show, so everyone benefited.

Sonny Smith of Monroe Ave., Dallas, has an "unusual" evening on Saturday night at the Country Club. Sonny was presented with a beautiful desk set on the 20th year of his service to the Dallas Fire and

Ambulance Association. There aren't too many men who give 20 years of service to their local fire company as a volunteer. Congratulations Sonny, the community benefits from men like yourself.

Also receiving special recognition at the Dallas Fire and Ambulance Association banquet Saturday night was Mayor Paul LaBar of Dallas. The ambulance went out on 479 calls during the year and Paul was on more than 245 of those. It takes a very special person to make himself available for 245 volunteer ambulance calls in a year. It's people like these two men who are always ready to help when the need arises. Congratulations!

Two weeks ago I told you about the snowmobiling trip Jack and Jacquie Robbins and family spent in Vermont. I've learned their trip turned out to be a horrendous experience. Jacquie hit a tree with her snowmobile, broke her leg, had to be flown home to Nesbitt Hospital where she had surgery and a pin in the leg this past week. Jacquie we sure hope you heal fast and completely, I can't imagine you not hurrying around all the time.

Cindy is the daughter of Mr. and Mrs. Howard Dymond of Beumont and Jeff is the son of Mr. and Mrs. Charles Krause of Plymouth Twp. Following their reception they left on a wedding trip to North Carolina. Both Cindy and Jeff are employed at Stapinski's in Dallas. Congratulations from all of us. Betty and Bill Hanna, Wyoming Ave., Dallas, had the worst phone call recently any parents would wish to hear. Their daughter, Janice, who lives in Lansdale with her husband and 7 children lost their home to a fire. Janice had gone out and upon returning found her home burned to the ground, everything they own totally lost. The children were all out of the house and no one was hurt but they

have nothing. Five of the seven children are now here in Dallas with their grandparents, Bill and Betty Hanna. They need our help, especially for clothing, since seven children with nothing is not even something we can comprehend trying to replace. Winter coats, shoes, slacks, sweaters, anything you will share please call Betty Hanna at 675-1243. If you have things you'd like picked up call Betty or myself, we will get them. Children ages and sizes are 2 girls age 5½ size 5 or 6, and age 12 size 12. The boys are 2 years, size 3 or 4, 6 years size 7, 10 years size 12, 13 years, size 16 or 18, and 15 years size 18 or men's small. Janice wears a ladies 9-10 and her husband wears large size shirts. Please help if you can.

She said she didn't feel alone at all while in the hospital getting xrays since there were six other people waiting also, each had broken a limb by falling on the ice. Hope your arm heals fast and to all be careful!
