Back Mountain on the move

HAPPY 1ST BIRTHDAY to our first grandchild Loni Jean Piekanski. Loni was one year old on February 13 and a party was held in her honor on Saturday. Lots of grammars, her pop pop and her aunts, uncles, cousins and friends were on hand to help her celebrate.

Little Loni is the daughter of Bill and Loni Piekanski of Dallas, her maternal grandparents are Charlie and Jean Hillard. Paternal grandparents are Ray and Betty Piekanski of Larksville and great grandmother is Mrs. Ann Farver of Sweet Valley.

Her grandmother accompanied her to New Mexico where they spent two weeks visiting relatives and touring then Denise went on to California by herself where she spent week, then it was back home for all. Denise had a color analysis done locally and bought her perfect colors by Revlon at Stapinskis before she left. I'm sure our "Pennsylvania girl" represented us well in California!

DR. GARY SMITH, wife Carol and children Colby, 4 years; Amy, 8 years and Preston 8½ months of Kingston, spent the past two weeks in Florida.

Dr. Gary was attending a medical conference so the family went along and combined business with pleasure. It was a trip to Disneyworld for the kids and other points of interest. Gary is a doctor at the Rural Health Clinic in Noxen presently, Carol is the former Carol Lamoreaux of Lehman. Their oldest daughter, Heather, spent the two weeks visiting her grandma Lamoreaux in Lehman, one of her favorite places to be.

NAN PARRY of Luzerne, wife of Bill Parry who owns the Fred L.

Parry AMC Dealership in Luzerne stopped by to purchase some cosmetics last week. As we were talking (which I do a lot of) I began to realize who she was.

It turns out she is the sister-in-law of one of my favorite people in this whole world, the late Doris Wolfe. I worked for Doris and Pete Wolfe (remember Wolfes Grove in Sweet Valley?) from when I was 11 years old until I was 18 years old. Nan Parry frequented their home, but I had put her in the back of my mind until last week. It turned out to be one of my best days at work. It's so good to talk to nice people and bring back good memories.

As I was telling my kids about my past working days with Pete and Doris Wolfe, the best days of my life, they got lost with the thought of "You had a job when you were only 11 years old." Can you imagine an 11 year old being a cashier in a skating rink today? Times have changed.

JEFF POORMAN, now living in Delaware with his dad Dan Poorman, a former principal at Dallas High School was in our area on the weekend. Jeff, Jeff Spudis, Dennis Dacusin (Dallas Sr. High high point scorer the past couple games in basketball), and our Keith all got together for a game of basketball at Kingston Rec Center Saturday.

These four guys think they can challenge the world's best in basketball, so it was a great day for old times sake. Keith Hillard did his final basket as he landed on his ankle instead of his foot and here we go again, Keith is on crutches with a fractured ankle. Last time it was the other ankle and it's been two years between acts this time, so I guess we are improving.

Do hurry and get back on your feet Keith! It was good seeing Jeff Poorman again too.

WALT AND JUDY WILLIAMS of Shavertown are bursting with joy at the birth of their daughter, Halli Ann born on Feb. 11. The Williams also have two beautiful adopted children at home, Jessie and Cassie. So it's a first and a 3rd, we are all so happy for them.

DR. ROBERTA KLEIN, chiropractor and her two children have returned to their Harveys Lake home after spending about a week in Phoenix, Arizona. Dr. Klein was attending a seminar while her children got to spend time with their grandparents also.

Back home, husband Dr. Albert Klein, chiropractor, had the pleasure of treating all the patients in their Dallas office. That's called togetherness! Welcome home, Bobbi!

GET WELL WISHES still go out to Mr. Marcus Hozempa of Midland Ave., Dallas, who is recuperating from by-pass surgery two weeks ago at Hahnemann Hospital in Philadelphia. Mr. Hozempa is home and hopefully getting stronger each day.

BONNIE KONIGUS, an exercise instructor, is out of commission for a while due to a fall and an injury to her leg. Hope you're back on your feet real soon, Bonnie, we need you to keep us in line!
