Tribute paid

Gate of Heaven students paid tribute to the crew members of the space shuttle Challenger, in particular Christa McAuliffe, during a "Teacher Appreciation" talent assembly. Wendy Kuniskas, April Yatsko, Patricia Roginski, Lori Stair, Cecelia Williams, Tina Strom, Denise Thompson, and Nicole Kingsbury presented their version of "Memories." The crew was also remembered in prayers at a recent school Mass. To honor the deceased astronauts and to keep alive their dreams of reaching the stars, students, under the leadership of student council members, have just completed school project, profits from which are being sent to the Challenger 7 Scholarship Fund at Wilkes College. The Gate of Heaven contribution will be received in time to commemorate "International Women's Day" and to remind everyone of the courage and convictions exhibited by the two women aboard the space shuttle, Christa McAuliffe and Judith Resnik. Pictured, from left, are Marlo Trapani, Heather Malonis, Jennifer Spencer, Melissa Malonis, and Tina Strom (student council), who organized the project to raise money for the Challenger 7 Scholarship Fund.
