PICPA offers tax brochures

It's tax season, the time of year when millions of Americans grapple with 1040's, EZ's, Schedule G's, and IRA's in an attempt to take advantage of changes in the tax law which may mean personal savings.

To help you as a newlywed through the tax maze, the Pennsylvania Institute of Certified Public Accountants (PICPA) is providing two tax brochures: "50 Tax Facts" and "PICPA Tax Tips."

For your free copies, send a stamped, self-addressed envelope to the PICPA, 1608 Walnut Street, Third Floor, Philadelphia, PA 19103.
