Dragon visits school

Puffless Dragon, a drag-knight who is a lovable pro-health character, recently visited the children at the Trucksville Nursery School. Puffless spoke to the children about eating properly, about not smoking, about exercising, and about seeing their family doctors for regular check-ups. Puffless also gave the children coloring books to take home and share with their families. The Puffless Dragon is just one of many programs offered free of charge to schools, businesses and local organizations through the Wyoming Valley Unit of the American Cancer Society. Daffodils will be available throughout

the Wyoming Valley and the Back Mountain area on March 11, 12, 13 and 14. Monies raised from this annual fund-raising event will stay here in our communities and will benefit local American Cancer Society programs. Puffless Dragon and his friends at the American Cancer Society want to count on your for your support. They would like you to cast a vote for good health and the hope of a cancer-free world for all of us by buying daffodils, the symbol of hope. Daffodil orders are being taken now at a cost of \$3 per bunch with 10 flowers comprising a bunch. Daffodils will also be available during Daffodil Days at Back Mountain schools and businesses.

The IRS is coming.

Get to United Penn Bank with your 1985 IRA contribution—before the IRS gets to you.

April 15th will be here sooner than you think! That's why right now is a good time to open your IRA at United Penn Bank. All contributions you make to your United Penn IRA by April 15, 1986 are fully deductible from your 1985 taxable income (for federal tax purposes).

And there are lots of other good reasons for opening an IRA at United Penn Bank. Like the fact that your IRA is a money making investment that can help you enjoy an active retirement. And the fact that you never pay a penny of federal taxes on your IRA contribution or the interest until you begin making withdrawals, usually at retirement, when you're in a lower tax bracket.*

At United Penn Bank, we offer you a wide variety of IRA options to choose from.

Our **fixed rate IRA's** give you high rates plus a choice of terms from 26 weeks to 60 months.

Our **variable rate IRA** offers you high market rates that keep pace with the economy.

You can open this 18 month IRA with as little as \$10. Additional deposits also can be as little as \$10.

Self-directed IRA's are also available through our CB Brokerage Service. With a self-directed IRA, you're the money manager, controlling a portfolio of investments of your choosing.

Remember, if you're a wage earner, you can invest up to \$2,000 a year into your IRA. If you're a married wage earner and your spouse is not employed, you can deposit \$2,250 into two spousal IRA's. And if you and your spouse both work, and both have IRA's, you can put away up to \$4,000.

So if you haven't opened your IRA yet, don't wait any longer.

Because the IRS is coming. And you know what that means.

United Penn Bank
We work hard for your business.

*You can begin making withdrawals from your IRA, without penalty, any time after age 59½. Federal regulations require substantial interest penalties for withdrawals before age 59½.
