## Back Mountain on the move — 675-1392

ARLINE BERGEVIN, Joseph Street, Dallas, is in a lot of discomfort and has knee injuries following a two-car accident near the Wyoming Valley Mall last Thursday. Mrs. Bergevin was treated and released from General Hospital, however she is bedridden at home. Most of you will know her from Gino's Shoe Store in Dallas, where both she and her daughter, Sue, work.

Beverly's head went through the windshield and her knees took the impact as she was hit head on by another Dallas resident, Kathleen Gelso, who was treated at the Veterans Administration Hospital where she is employed, then released.

GEORGE AND JUDY SCHALL of Bulford Road, Shavertown, have returned home after a couple of weeks in Florida. This was their first trip to Florida without the children so it was a new experience in some ways — totally relaxing with no time limits to meet — just fun, sun and a good time. Sporting a beautiful tan, Judy reports temperatures were perfect, the lowest in the evenings being in the 70's.

BRAD AND DAVE BRYANT have returned home to their families in Dallas and Harveys Lake after spending nearly two months in Florida working. The Bryants are self employed in the recreational vehicle business and when work got slow in the Poconos at Eagle Lakes where they are most of the year, they moved on with the motor homes to Vacation Land, Florida. Welcome back. I know your families missed you very much and so did your friends.

MRS. ROSE M. GULA of Joseph Street, Dallas has returned home after spending two weeks in Florida also. Mrs. Gula was traveling with her brother and sister-in-law from the Philadelphia area. This was her first time to go to Florida so it was a very interesting and happy experience for her.

Mrs. Gula, a teacher at Meyers High School, especially enjoyed visiting the Tupperware plant. It was a very interesting tour and had a lake to fish for the sportsman plus many points of interest. It was located in Kissimmee, Florida. In Orlando, the highlight was Disneyworld and Epcot Center. She also reports the weather was beautiful.

FRANK AND ALICE SAVAGE, Windsor Drive, Dallas, spent a couple weeks in Houston, Texas visiting their son and daughter-in-law. The Savages enjoyed weather that was in the 90's most of the time. In their sight seeing tours, one of the most memorable was a stage show on ice featuring Dorothy Hamil, Ty Babalonia and Randy Gardner. Alice is also wearing a beautiful tan. Oh, for spring to get here!

NICK AND CATHY WALTOS, Haddonfield Hills, Dallas, spent all last week in the Bahamas. The Waltos drove to Philadelphia then flew to the Island of rest and relaxation where they enjoyed the sunshine and a rest.

Beautiful tans, all rested up, the Waltos are ready to get back in the routine at home again. A beautiful scent "Bahama Franzipani" fills the air in our house tonight, a Bahamian perfume the Waltos brought back for me. It's so nice, thanks so much.

THE PROUD PARENTS, Lisa and David Lee Willamson announce the birth of their first child, a little girl, Megan Jean, born March 3 at Nesbitt Hospital. Little Megan entered the world on her mommy's 21st birthday, what a birthday present.

Lisa is the former Lisa Pglanite, daughter of Joseph and Irma Pglanite and the late Mary Jean Pglanite of Dallas. This is grandpa Joe's (Grotto Pizza) first grandchild and Great Aunt Jane and Uncle Paul Gritman's first great niece. What a lucky baby to be born into such a nice family.

Congratulations to all of you and best of luck with your new baby girl, Lisa and Dave. Maternal great-grandmother is Mrs. Marcella Pulieri of Wilkes-Barre.

TERRI RITTENHOUSE, daughter of Donald and Shirley Rittenhouse, was almost a birthday present 12 years ago to her Dad (Peanuts) Donald. Terri was born on the 13th, her dad celebrates his day on the 12th. Special birthday wishes go to Peanuts and Terri from wife and mother, Shirley, who reports Peanuts is celebrating the big 40 this year. An ice cream-cake party was held to celebrate both birthdays on Sunday.

TONY SILVERSTEEN, Sutton Hills, Shavertown, reports she saw the first sign of spring in our Back Mountain. Peeping out of the ground in her very own yard is the long awaited flower the crocus. It's like music to our ears to hear "crocus and daffodils" are peeping through, it only means one thing - Spring!!

DAFFODILS ARE HERE this week. If you ordered some, remember to pick up your "bunch of life." If you didn't order in advance, you can buy over the counter at several stores in the Back Mountain Area. These beautiful yellow spring flowers have a dual purpose, the fight against cancer being the main one, beauty the second.

There are 10 daffodils in a bunch and they are only \$3.00 a bunch. Put them in bud vases and you can get 10 happy displays that way. If you work, put one on your desk or on your counter. Share your concern for the deadly disease, show your care.

MARCH 15 — Remember this is Federation Day at Boscov's. A percentage of all monies taken in at Boscov's that day is donated to the Luzerne County Federation of Women's Clubs to benefit the American Diabetes Association.

Every floor has something special added to it for the day by one of the 20 woman's clubs in Luzerne County. There are information booths set up so if you can't locate something ask. These volunteers are also club women hoping to make your day easier.
