HILLARD

**JERRY AND SCOTT TORR**, both of Dallas, have been vacationing in Florida where they visited their parents, Al and Jane Toor. Al and Jane spend their winters in Venice, Florida, at their winter home and their sons took advantage of a great time while seeing Mom and Dad too.

**SOME TREES ARE DISAPPEARING**, the brush is being cut and soon the ground will begin to disappear as the beginning stages of the Fellowship Evangelical Free Church begin to formulate near Dallas High School. As soon as the frost is out of the ground I'm told the footers will be started.

This church started with only four families about five years ago and now an average of 160 people attend services each Sunday at College Misericordia's Merrick Hall. Growing to the point of needing even more room a building has become a reality. Watch the growth in the Back Mountain, its phenomenal.

**MR. AND MRS. ALEX REBAR** of Lehman have returned home after spending a month vacationing in Florida. The Rebars stayed at Kissimmee and visited a high school friend of Mrs. Rebar's in Deerfield for a few days. They also spent some time in Orlando, Disneyworld, Sanford and many other of their favorite winter spots.

Mr. and Mrs. Rebar are a very sweet couple, very special to all of us who were "Dallas Junior Women." Mr. Rebar followed and photographed our projects for so many years and we all grew to love him and his wife. It's really my pleasure to report they are really enjoying their lives and retirement, they gave so much joy to so many over the years.

**DONALD AND SHIRLEY HANSON** of Harveys Lake have also returned home to the freezing weather. They spend a lot of time in Hilton Head, South Carolina where they own land. Shirley's wearing a nice tan and is really counting on Pennsylvania sunshine soon to keep it.

**JO CAROL, STEVE AND SUSIE BUCKLEY** of Haddonfield Hills, have returned home after spending a week in Clearwater, Florida with Jo's parents, Jack and Lana Birnstock. The Birnstocks are former Kunkle residents now permanently living in Clearwater.

Steve is our paperboy, one of the best paperboys in Pennsylvania, I might add, and he said they had a great time, he flew for the first time

and loved it. Mom and Suzie had flown before.

Steve also celebrated his 11th birthday while in Florida. They got to visit Cypress Gardens, Busch Gardens and swam at Clearwater Beach. Steve says he got the best tan. I haven't seen the rest of them but I'm sure he's right. Dad, Jim and baby brother, Todd, stayed home to keep the fires burning and I know they too are glad to have the family home.

**JIM AND JET COOK** of Lehman have also returned home after vacationing in Florida. The Cooks arrived home just in time to welcome another grandchild. They arrived home on Sunday and daughter Karen gave birth to her second daughter on Monday. What a nice welcome home present.

**I END MY COLUMN THIS WEEK** with a get well wish to Mrs. Harold Brobst. Mrs. Brobst, whom many of us recognize as an employee of United Penn Bank in Dallas, is a surgical patient in the NPW Hospital in Plains. All of her friends send her wishes for a speedy and complete recovery.

**ALSO, STILL NEED TO REMEMBER** Arline Bergavin of Joseph St., Dallas, who was injured in a car accident a couple weeks ago. Mrs. Bergavin is still bedridden and has a long way to go before her legs are back to normal.

**HAPPY EASTER!**  
(Jean Hillard is a Back Mountain resident whose column appears weekly in The Dallas Post.)

## Baby sitting course slated

A few hours of spare time each week and the desire to help others are all a teenage girl needs to join Wilkes-Barre General Hospital's summer Candy Striper program. The hospital's Volunteer Services Department is now accepting applications for its summer program, which begins June 16 and ends August 31.

Girls 13 to 18 years of age may volunteer to work in one of four service areas - Admissions, In-Hospital Service, Hospitality Cart or Nursing Service. Each service gives Candy Stripers an opportunity to work in the hospital, help patients and staff, and gain some valuable experience in a health care setting.

Girls who work in Admissions help process and transport patients who are admitted to the hospital, while girls who volunteer in Nursing Services perform non-professional nursing duties for patients and the nursing staff. The In-Hospital Service involves sorting and delivering mail, flowers and packages to patients, as well as assisting with patients' admission and discharge. Candy Stripers on the Hospitality Cart service tour the hospital to sell magazines, gifts, candy and other articles to patients and staff.
