## Commission plans another 'Fish for Free' day April 12

Saturday, April 12, is a day that many residents are looking forward to this year.

Unlike April 15 (income tax day), April 12 is a day that creates many pleasant thoughts in the minds of fishermen because it's the first day of fishing season. Young and old alike will visit streams and lakes to match wits with other fishermen and the fish themselves. One of the biggest challenges is to find a stream which has lots of fish but no other fishermen.

The preseason stocking began several weeks ago. Before the season opens, the state Fish Commission will have distributed more than two million trout in 5,000 streams and 99 lakes. Federal hatcheries will add another 27,850 fish to that total.

In-season stocking will continue once the season begins with about the same number of trout. The Fish Commission is expecting to stock

five million trout in 1986. Anglers should find the streams and lakes loaded with rainbow, brown and brook trout.

Fishing licenses have been on sale since the first of the year. There is no charge for children under 16. Residents over 16 pay \$12.50 and a senior's resident license cost \$2.10. A lifetime senior's license costs \$10.50.

The Fish Commission is also promoting a Fish for Free Day once again this year. This is designed to encourage more individuals to try fishing. The day has been scheduled for June 7 and most waters will be open for free fishing. Anglers will be allowed to fish for any species in season on that day. They will be required to obey the rules that apply to all fishermen.

The commission is promoting this year's Fish for Free Day as "Take a friend fishing."

## Softball

(Continued from page 9)

Tracy Cave, pitcher; sophomore Chris Leginz, third; Heidi Scholz, centerfield; Lisa Sharkness, pitcher and outfield; senior Lisa Gabel, outfielder. Bartleson, Daveski, Cave, Scholz and Sharkness are juniors. Juniors Donna Piatt, outfielder; and Kristen Dougherty, second, a transfer to Dallas, are also competing for a varsity spot.

**FRESHMEN WILL HELP**  
Three freshmen, Lori Cave, Tracy Hunter and Holly Bachman show

great potential as pitchers and will give Dallas a good pitching staff. These three girls can also play the outfield.

Colleen Keever, third base; Heather Bachman, outfielder; Kris Preece, first; Kim Yakowski, outfielder; and Renee Balberchak, first base, cannot be counted out for starting positions.

The Mountaineers have a lot of experience on the team this season and good strength in pitching and defense but they need to get down to

business and put forth good team effort. Cave led the league last season in wins, 13-3, but success this year will take a lot of serious, hard work on the part of all of the team members since most of the teams have many of their starters returning and are expected to be much stronger than last season.

A new addition to the Dallas coaching staff this season is Yvonne Mould, with 13 years of experience behind her.

"Dallas will be competitive this season, or should be, but I would not be surprised if Valley West wins it all," added Pope.

**30 OUT AT LEHMAN**  
Lake-Lehman has 30 girls out for softball season, eight of them returning starters. The team lost only one starter through graduation but she was a key player — Sandy Dicton, who was an outstanding

athlete and student.

Returning seniors and starters are Cindy Slocum, outfielder; Kelly Wandel, shortstop; Kelly Siglin, first or third; and also Cristy Wascaus, third or outfield; and Gail Thomas, outfielder.

Among the juniors certain to be on the varsity squad are Noelle Kuznicki, catcher or third; Susie Slocum or Lori Pantel, second; and Beth Finn, pitcher. Junior Debbie Levi is also competing for an infield spot on the varsity squad.

**FINN GETS HELP**  
Hurler Beth Finn will have some help on the mound this year from sophomores Pam Coolbaugh and Lori Cannon, both of whom could start or come in as relief. Both girls can also play in the outfield.

a cheerleader. Hockey had just started in Wyoming when I was in high school, but I was a cheerleader so I couldn't play."

Yvonne did play intra-mural basketball in school and enjoyed every minute of it.

For the past 13 years, she has played organized softball for Flossie Finn's Rebels team and for Larksville Trophy team. The only place she is now playing is in the Luzerne County Recreation Board's Slo-pitch Mixed League.

Yvonne attended Luzerne County Community College where she received an associate degree in Applied Science. She is presently taking calligraphy and photography courses at Wilkes College. Nature

photography is her favorite. "Coaching is a new experience for me," said Yvonne. "I love the game and I very much like playing with these young adults. Only time will tell how successful we will be."
