I HOPE ALL MY READERS had a very happy Easter! Every once in a while due to lack of space, things have to be cut when the paper is being put together. I'm afraid it was my Easter greeting last week. I sincerely hope everyone had a wonderful holiday.

SPRING IS DEFINITELY IN THE AIR, but I hope we are not being lulled into a false sense of security. When the temperature is 50-plus, it's hard to believe that we may still have a very winter-like snow storm.
