Youth injured

This 1978 Chevy Blazer was one of two vehicles involved in a traffic accident Sunday night in Kingston Township in which a 15-year old youth was injured and transported to Wilkes-Barre General Hospital. Since the boy is a juvenile, police are not releasing his identity. He was, however, reported to be a passenger in a vehicle driven by Peter Tonnesen, 235 Main St., Dallas. Two other individuals, including another minor, and Mimma Iolvaen were also in the vehicle. According to reports, Christopher J. Peters, RD 2, Box 133, Tunkhannock, was traveling south on RT. 309 while Tonnesen was traveling west from Harris Hill Road across the highway to Pioneer Avenue. Both drivers told police they had the green light. The Peters vehicle apparently struck the right rear quarter of Tonnesen's 1976 Ford Econoline Van, causing it to spin clockwise into the intersection. Officers Michael Moravec and Joseph Bren investigated the incident.

WOW, HOW TIME FLIES. It seemed just yesterday that school opened for the year and now here it is almost time for summer vacation.

I UNDERSTAND that plans are well underway for the annual Library Auction which is scheduled this year for July 9, 10, 11, 12, and 13. Dr. John Shaskas, is this year's chairman.

As they did last year, a car will be chanced off again this year. A \$5 ticket will give the owner a chance to win an S-10 Blazer, valued at \$14,000. These tickets can be purchased at the library or from Dr. Shaskas at his veterinarian office.
