Back Mountain on the move

SNOW IN APRIL. April 23rd to be exact, and not a snow flurry either but as much as 30 inches in the Poconos. It did stop a lot of people from moving for several hours. Ray and Nancy Daring, owners of Daring's Market, had a daughter on her way home who was stranded for five hours on one of the major highways. She never did make it to Dallas, but was able to turn around and return to her home.

SHEILA MCALLISTER, the electrologist who has offices in the Back Mt. Professional Building, reported six inches at her home in Sutton Hills, Shavertown. Another Pioneer Avenue, Shavertown resident said she had to shovel her car out of her driveway.

JEAN HILLARD

children, Brian, 13 years old and Stefanie, 10 years old, get a Back Mountain welcome this week. The Fetts come to us from Charlottesville, Virginia. They are now residents of 35 Dorchester Drive, Orchard View Terrace, Dallas. If you live in Orchard View be sure and welcome this lovely family to your neighborhood, we are pleased to watch the Back Mountain gain new friends and neighbors.

WOODY LABAR and family have returned from a great vacation in Orlando, Florida. Woody sure deserved a vacation. He has to be the happiest, busiest mechanic in the world, especially in the valley anyway. His wife, whom I don't know, surely deserved one too, just for being his wife. They stayed in a friend's condo and had a real fun week of relaxation and touring. Glad they're back. Keith's car was there at the garage waiting for him, as usual.

MARILYN WARD, daughter of Bill and Naomi Ward, Dallas, is the winner of the Dallas Lioness Book Scholarship. Marilyn, who we all know from her involvement in school activities, most recently playing a part in "Guys and Dolls", the school play, is a very deserving winner.

She has represented her school and area very well over the years and is an outstanding student scholastically. She will attend Indiana University of Pennsylvania where she plans to study Math and Computer Science. Congratulations Marilyn, our best wishes go with you as you further your education.

CRISTA SCHOLZ, daughter of Sharon and John Scholz of Dallas, was home for the weekend and also to attend the wedding of Brian Franklin, Lehman and Janine Wertman, Dallas.

Crista and Janine are both '85 grads of Dallas High School and Crista was part of the wedding party. Crista is presently working for the F.B.I. in Washington, D.C. and makes her home in Virginia. I'm sure her job is a most interesting and fearful one at this point in our government. It was nice meeting you Crista, good luck in your

career.
MYRTLE ELLIOTT of Harveys Lake and her niece Judy Boyle of Levittown, were planning a trip of a lifetime for a long while. The trip was an 8 day cruise to Mexico, Jamaica, Key West and surrounding areas. Recently their dream came true and they were off on their cruise.

Mrs. Elliott said it was everything she expected and more, a very enjoyable vacation until the heat got to her. Heat and exhaustion together got too much for her and she ended up going to the hospital when she arrived home. After five days in the hospital, she's now home and feeling much better. Stay well Mrs. Elliott and only remember the good part.

MARY LAUER, Shavertown, has been in the hospital due to a fall at her home. Mary broke her leg during the fall which required surgery and she is having a lot of pain and discomfort while she's recuperating. Daughter Carol Lauer Chamberlain, owner of Carol Lauer's Beauty Salon "Shear Magic" in Shavertown, meanwhile gave Mary a beautiful granddaughter which arrived 8 weeks early. Mary has had a lot of unexpected surprises in her life lately, we congratulate her as well as wish her a speedy recovery so we can enjoy her new granddaughter.

STACEY ROBERTS, daughter of Ben and Judy Roberts of Haddonfield Hills reached a turning point in her life on April 24th, she turned 13 and now joins the rank of all teenagers. Happy birthday Stacey, hope you enjoyed your special day.

SHIRLEY MAJOR, my sister, also celebrated a birthday on the 24th since I love her and want the feeling to stay mutual, I won't say which birthday, but Happy Birthday, Shir! Shir! Shir! is a patient in General Hospital now, so also hurry home Shir! and enjoy your rest while you're there.
