### School visited

Recently, the six foreign exchange students pictured above visited the Dallas Junior High School. The exchange students spoke to the foreign language classes of Mrs. Ellen Boyer, Miss Michaeline Kmush, and Mrs. Gwen Quick about their countries and customs, showed slides and answered students' questions. The exchange students also presented an assembly to all seventh-grade students. Shown here, from left, are Minna Tolvanen, Finland; Claudia Alves Lapa, Brazil; Punnee Pimapsunsi, Thailand; Inci Turkoglu, Turkey; Caroline Ann Davies, Wales (U.K.); Lene Jorid Betten, Norway.

## Registration is scheduled

The Dallas School District has requested the cooperation of parents who have children of school age who have not been registered for the 1986-87 school year.

Gerald Wycallis, Superintendent, says it is essential that the school district be informed of all new students planning to register, especially the Kindergarten and First Grade students.

Problems occur with class assignments and transportation when students are registered late. He said the Dallas School District encourages parents of new students or those transferring from other schools to register their children immediately.

All Kindergarten through 6th grade students are to register at the Administration Building, Church St., Dallas with Mrs. Farr. Junior and Senior High students will register at their respective school offices located on Conyngham Ave.

Parents must bring birth certificates, report cards from previous school, and immunization records. No student will be allowed to enter school without proof of the required immunizations.

If there are any questions, call 675-5201.

## 'Stock Market' game conducted

Students of the Dallas Senior High School participated and competed in a 10-week "Stock Market" Game. The game is sponsored by the national stock brokerage firm of Bucher & Singer. The Center of Economic Education, Widener University, Chester, PA, supervises the program.

Mrs. Lee Ann Johnson of the Luzerne Intermediate Unit - Gifted Program sponsors seven 3-4 member teams of students who invest and trade in theoretical amounts of \$100,000 per team.

APRIL YATSKO

ON MONDAY, MAY 5, the first graders went on a field trip to the Frances Slocum Park. They were accompanied by the Nature Walk by a tour guide, who drew their attention to the early spring plants and grasses, the different kinds of trees as shown by their leaves and bark, and the various kinds of birds flitting around the park. Before returning to school, the children had lunch in the pavilion. Everyone seemed to enjoy the beautiful morning out of doors.

SISTER ALICE ANN'S CLASSES were busy last week making cards in preparation for Mothers' Day.

Having read a story about Hawaii, one of the reading groups did projects on "the vacation state", and brought in articles and souvenirs from Hawaii to show their classmates.

THE SEVENTH GRADERS are enjoying their study of communications. They have seen movies on the TV industry and are preparing a variety of projects. On May 14, two local disc-jockeys will talk to the class about radio programming.

IN PREPARATION FOR MOTHER'S DAY, Mrs. Gray's third graders made "Super-Mom" booklets.

Recently, this class has been entertained by Lori Ann Scott, who enjoys writing stories to read aloud to her classmates.

ON SATURDAY, MAY 17, grades one through four are having a Sports Day beginning at 9 a.m. Both the gym and outdoor playground will be used for the sports. Under the direction of Miss Ruth Kruger, the children will participate in scooter races, beanbag toss, hoola-hoop throw, and tricycle races. At the close of the sports events, refreshments will be served.

FRIDAY, MAY 16, the second-grade students will participate in the annual May Crowning of our Blessed Mother.

Patricia Kristan will crown Our Lady; Joseph Lukas is crown bearer. The entire second grade class will be "guards of honor". The entire school body will also participate through song and prayer.

## Cragle takes part in Festival

Lake-Lehman senior Lori M. Cragle, daughter of John and Charlotte Cragle of Hunlock Creek, recently participated in the All-State Chorus Festival on May 1-3 in Pittsburgh, Pa.

Lori, who has been interested in music since early childhood, has participated in District and Regional Chorus for the past three years and qualified as an alternate for the state level last year. This year she succeeded in being chosen as State Finalist. Her other musical

accomplishments include being the president of Senior Chorus at Lake-Lehman and being accepted into "Who's Who in Music."

Lori's other interests include modeling, which she does part-time for a local agency. She will attend Marywood College this fall to study Fashion Merchandising.

The Senior High Choral Director, Jane Morris, and the students, faculty and administration join in congratulating Lori on her many musical accomplishments.

## Lehman plans T-Shirt Day

Read-A-T-Shirt Day will be held on Thursday, May 15, in the Lake-Lehman Elementary Schools, sponsored by the ECIA Chapter I Parent Advisory Council.

Students and staff are encouraged to wear their favorable readable T-Shirt, the one with their favorite saying. Some examples of these are

"I Hate School, But I Love Lunch"; "Strike Force"; etc Wearing shirts with slogans helps to motivate the children to try to read other shirts worn by their friends and classmates. This creates a positive and fun attitude toward reading which hopefully will carry over into other subject matter.
