## Enroute to Georgia

Lehman Girl Scout Troop 706 are making their final preparations for their trip to Savannah, Georgia. The girls are leaving Thursday, June 12 at 7 a.m. from the Lehman Jackson School. Their trip will take one week and include the following stops, North Carolina, Naval and Maritime Museum in South Carolina, the birthplace of Juliette Low, founder of Girl Scouts in Savannah, and Busch Gardens in Virginia. The scouts have earned \$300 each by completing many fund raisers successfully, including selling over 1,000 boxes of cookies to Chase

State Correctional Institution. Each girl received profit from the prison sales to help towards her expense of the trip. Scouts and friends traveling on to the Girl Scouts birthplace is: Jennifer Hynick, Charlene Cook, Girl Scout Leader; Mandy Jones, Becky James, Andrea Bunney, Mrs. Terry Sutton, Megan Lukasavage, Melissa Larkins, Jennifer Cook, Mary Cipolla, and Amber Roese. The following were absent from the picture, but traveling with the scouts, Mrs. Lolly Larkins and Tracy Cook.

**STUDENTS AT DALLAS ELEMENTARY KINDERGARTEN** recently completed a most educational project. The students had to color pictures of foods from the major food groups; milk and dairy products, grains and cereals, fruits and vegetables and meat and poultry. These pictures were then used to make a colorful placemat that allows them to pick out the foods they are eating from each group. The children also had to keep breakfast, lunch and dinner menus; these were placed on the back of the placemat.

I was very impressed with this project. Nutrition is so important to good health. Isn't it wonderful that these children are learning about good nutrition at such an early age.

Many thanks to the three fine kindergarten teachers at Dallas Elementary School, Mrs. McCain, Mrs. Callahan, and Mrs. Lyons.

Legislation to create a special vehicle registration plate for Purple Heart recipients has been sent to the governor for his signature into law.

"In addition to the standard vehicle registration plate, the Vehicle Code provides for a number of special plates, including plates for

totally disabled veterans, ex-prisoners of war and Medal of Honor recipients," Hasay said. "I believe that at this time, when the feeling of patriotism is running high in this country, we should honor those who received this special award for bravery."
