

Back Mtn. on move

DALLAS HIGH SCHOOL'S 25th commencement was held outside for the eighth year in a row on Friday evening.

One hundred and ninety eight students received their diplomas while proud parents, family and friends, watch as the sun actually shined on the graduates. Rains and cloudy skies all day long were only threats of dampening the spirits of the class of 1986.

Congratulations to the Class of '86.

JOHN AND LOUISE DAVIS of St. Augustine, Florida, arrived in Shavertown last Wednesday to witness the receiving of the diploma of their first grandchild to graduate from high school, Darci Davis.

JEAN HILLARD

Darci is the daughter of John and Sharron Davis of

Rose Village, Shavertown. Following graduation, there was a party in Darci's honor at her home which we all enjoyed. Parties were being held all over the Back Mountain and Wyoming Valley on the weekend, most of them to honor graduates.

WHAT'S HAPPENING to our quiet town of Dallas lately? last weekend was one I hope never repeats itself with all those bad things that god printed and some that weren't printed are locked away s just "bad memories." post hillar add two

This past Saturday afternoon, we were visiting a store in Dallas directly across from the police station in broad daylight. While we were there, we saw a girl being pulled from a car and being beat in the middle of Main Street. Is our growing town growing so fast that we are soon to be like New York City or was it just a bad two weekends?
