SCHOOL IS OUT! I'm sure all area school students are overjoyed. Kindergarten students at Dallas Elementary school celebrated the summer birthdays of their classmates with a wonderful party. Moms of students who have summer birthdays provided the goodies and a delicious cake.

As an added surprise, Mrs. Doris McCain, who retired this year after 30 years of teaching, was honored with a cake and gift from the students and her fellow kindergarten teachers.

If you know Doris McCain, you know how peppy she is. I bet you will have a wonderful, fun-filled retirement Doris.

JOAN KINGSBURY

I RECENTLY FOUND OUT that one of my favorite junior high school teachers passed away. Miss Jessica Thomas, who resided in Noxen her entire life, was my reading teacher when I was a junior high school student at Lake-Lehman High School.

Stricken with polio in her teenage years, Miss Thomas went on to graduate from College Misericordia and to become a fine teacher. Despite her handicap from polio, she had a successful 33 year teaching career.

She was one of the most courageous people I knew (she was awarded for her courage by College Misericordia.) She was an old-fashioned teacher - strict, exact but fair and interested in her students.

BEST WISHES TO Mr. and Mrs. Joseph R. Victor, 382 Harris Hill Road, Shavertown, who observed their 45th wedding anniversary on June 9.

The Victors were married in St. Ignatius Church, Kingston, by Rev. Joseph J. Nallon. Their attendants were Ruth Trettis Cassetori, sister of Mrs. Victor and Ben Kachmarack, Larksville.

Mrs. Victor is the former Mary Anne Trettis.

Prior to his retirement, Mr.

Victor was employed as a supervisor at the Acme Markets Warehouse, Forty Fort.

The Victors have three living children: Lt. Col. Joseph, U.S. Army, Honolulu, Hawaii; John, Mechanicsburg; and Linda Esrov, Bethesda, Md. Twin sons, Richard and Robert, are deceased. The Victors also have seven grandchildren.

ALSO BEST WISHES TO Mr. and Mrs. Edward F. Mark Sr. who celebrated their anniversary on June 9.

The Marks were married 30 years ago on June 9, 1956 by Rt. Rev. Msgr. Clarence J. Sikorski in Our Lady of Mount Carmel Church, Lake Silkworth.

The couple has four children: Tina Marie, a computer programmer analyst with FMSO, Department of Defense, Mechanicsburg; Edward Jr., an electrical engineer with IBM, East Fishkill, N.Y.; Mrs. Donald (Ann Marie) Berkley, a computer programmer with EBM East Fishkill, N.Y.; and Matthew, a computer programmer with IBM, Manassa, Va.

Mrs. Mark, the former Marie Mizdail, is the daughter of the late William and Frances Mizdail. She was a teacher in New Jersey and Pennsylvania. She is a part-time instructor at College Misericordia.

Mr. Mark is the son of Ethel Vinchowski, West Springfield, Mass. and the late Edward Mark. He is a psychologist with the Luzerne Intermediate Unit and serves as the Faithful Navigator of Our Lady of Czestochowa Assembly, Fourth Degree Knights of Columbus. He is vice-president of the Lake-Lehman School Board.

The Marks celebrated the occasion with an open house.

BEFORE YOU KNOW IT, it will be Back Mountain Memorial Library Auction time. If you have any item that you wish to donate, contact the library. Don't forget to purchase a chance on the beautiful black Blazer which will be awarded to some lucky person.

We have such a nice library that

everyone should make plans to attend the auction and give the library some financial support. This year, the auction will be held July 9 through July 13.

SINCERE BEST WISHES to the following Back Mountain couples who were married last week. Mr. and Mrs. Randolph J. Dunbar were married in St. Hedwig's Church, Kingston. Mrs. Dunbar is the former Wendy Sue Kerpovich, daughter of Mr. and Mrs. Arthur J. Kerpovich, 74 Manor Drive, Kingston.

Mr. Dunbar is the son of Mrs. Joyce Oeller, Harveys Lake, and Earl Dunbar Jr., Wilkes-Barre.

Mr. and Mrs. Warren J. Gensel were married in St. Therese's Church, Shavertown. Msgr. Joseph Gillgallon and Rev. James Malkemas performed the double ring ceremony.

Mrs. Gensel is the former Susan Barnard, daughter of Mr. and Mrs. George Barnard, Jr., Dallas. Mr. Gensel is the son of Mr. and Mrs. Roland Gensel, Shavertown.

JUNIOR GIRL SCOUT TROOP 663 of Shavertown has returned from a camping trip at Camp Louise in Berwick. This annual outing is always loads of fun for the girls. Speaking from experience, it can be a little unnerving for the leaders, especially if your troop is camping in the deeper woods in either needles or birches camping areas where it is very dark.

Camp Louise does provide the girls with lots of opportunities for fun with a beautiful swimming pool, a nice lake for canoeing and boating and planned activities available.

I guess it just isn't summer without at least one trip to Camp Louise for our family. Attending were our daughter Nancy, Kara Wyojotowicz, Valerie Marino, Valerie Gorda, Heather Adams, Michelle Metzger, Marianne Ochman, Karen Wisniewski. Leaders Karen Adams and Jennie Metzger deserve special thanks for providing this outing for the girls.

(Joan Kingsbury, a Back Mountain resident, is a columnist for The Dallas Post. Her column appears weekly.)

Help Bring Liberty to Life

With the American Liberty Elm

- The Boy Scouts of America are bringing Liberty to Life through the "Johnny Elmseed" program. It's a program dedicated to helping the youth of America with the new, disease-resistant American Liberty Elm. It teaches Boy Scouts community service, American heritage, and civic pride.
- As a first step in bringing Liberty to Life - during that same historic moment honoring the unveiling of the new, *Miss Liberty* on Independence Day 1986 - thousands of these new elms began their life in American soil through commemorative plantings hosted by The Boy Scouts of America.
- Meanwhile, "Johnny Elmseed" in towns and cities all across our nation will carry the torch of Liberty into the future as they dedicate troop nurseries for the American Liberty Elm in their own communities.
- Come, join the celebration of Liberty and Liberty! Donate an American Liberty Elm to your local troop nursery. When the tree is large enough for planting in a public place, it will be permanently tagged with your name.

The Elm Research Institute is a non-profit organization dedicated to saving the great American elm. In 1955, ERI introduced the first practical nursery system for creating healthy trees - with a 95% success rate. In 1985, ERI introduced the first disease-resistant tree - the American Liberty Elm - a product of twenty years of scientific research. Now ERI is helping the Boy Scouts of America bring the trees across our nation with the help of the American Liberty Elm. Find out how by calling 1-800-FOR-ELMS, or write Elm Research Institute, Harrisville, NH 03450.
