NAVY HOSPITAL-MAN APPRENTICE HUGH R. BOYES, son of Ralph and Peggy Anthony of 68 Country Club Road, Dallas, was graduated from Field Medical Service School.

During the five-week course at Marine Corps Base Camp Lejeune, NC, Boyes was prepared for duty with Marine Corps combat units as a Naval hospital corpsman and dental technician. Boyes studied the fundamentals of battlefield survival, personal protective measures, and received instructions on basic tactics and the use of weapons for self-defense.

To graduate, he was required to demonstrate basic proficiency in emergency medical techniques, casualty evacuation, field sanitation and preventive medicine procedures.

He is a 1985 graduate of Dallas High School.

CADET KENNETH A. WILLIAMS, son of Harry T. and Nancy J. Williams, 26 E. Meadow Drive, Shavertown, has completed a U.S. Air Force ROTC field training encampment at McConnell Air Force Base, Kansas.

Field training, attended by cadets normally between their second and third year of college, gives an opportunity to

evaluate each student's potential as an officer, according to an Air Force spokesman.

The summer's curriculum consists of orientations on jet aircraft, career opportunities, human relations education and equal opportunity training. Physical fitness and survival training is also emphasized.

The field training is four weeks, but cadets in the two-year ROTC program receive an additional two weeks of instruction in the development of air power and the contemporary Air Force.

Williams is a student at Wilkes College.

CLASS MICHAEL S. NEWELL, son of Harold and Janice Newell of 64 Pinecrest Ave., Dallas, has participated in Global Shield 86, an exercise involving U.S. Air Force, Navy and Marine Corps units, and elements of the Canadian forces.

The
