## Nationals lose to Nanticoke

By CHARLOT M. DENMON  
Staff Correspondent

Back Mountain National defeated East End National 10-9 in eight innings Saturday in their opening game of the 1986 Teeners League Inc. 14-15-Year-Old tournament to advance to Sunday's game with Nanticoke which they lost 3-1. The loss drops them to the losers' bracket where they were scheduled to host South Wilkes-Barre, Tuesday, July 29. Third round in the losers bracket will be Thursday, July 31, with play beginning at 5:30 p.m. for teams winning Tuesday.

In Saturday's game with East End, the National All Stars scored three runs in the seventh and eighth innings to take a 10-9 win into Sunday's game.

Rob Michaels walked with the bases loaded in the eighth inning to score the winning run for the Back Mountain National team. John Reed gained the win for the local team.

In Sunday's game, Nanticoke's Tom Kashutis scattered five hits over seven innings and had some powerful hitting behind him in Tom Pailey's double, Stan Wadas' triple and singles by Kevin Ward and designated hitter Pokrinchak's single.

Rob Michaels joined Kashutis in a pitcher's duel, fanning eight, walking five and giving up only four hits. Kashutis fanned six, walked four and gave up five hits.

Nanticoke took an early 1-0 lead in the top of the first inning when Henry Mieczynski walked, stole second, made third on a wild pitch and went home on Wadas RBI triple.

Back Mountain National tied it up in the bottom of the first when Konigus hit an RBI single to score Todd

Sallo. The Nanticoke team went in front 2-1 in the third inning when Mieczynski again walked, stole second and scored on an RBI single by Ward. They went in front 3-1 in the sixth when Wadas took first on a walk, stole second and made third on Eric Sivilich's sacrifice bunt. He scored on a bunt by Brian Kreitzer.

The loss dropped the National team to the loser's round.

Back Mountain American team dropped to the loser's round on Saturday when they were downed 9-1 by Nanticoke. Nick Pokrinchak hurled a two-hit game for the Nanticoke team. Pokrinchak struck out 10 in the game, seven of them consecutive strikeouts early in the game. Wadas paced the Nanticoke to six runs in the second inning when he hit a two-run homerun.

The only hits Pokrinchak gave up to the Back Mountain team were singles to Janosky and Paczewski. Tom Brown was the losing pitcher for the Back Mountain.

In Sunday's action, East End came from behind in a 6-0 ball game to defeat the American team 11-6. They scored four runs in the bottom of the fifth and broke the game wide open in the bottom of the sixth with seven runs. The loss eliminated the Back Mountain American team from tournament play.

Jay Wagner paced the Back Mountain team with three doubles, one of them a 2-RBI double in the fifth inning, when the local team scored four of their six runs.

Brody was the losing pitcher for the American team, fanning five but walking 13.

The American team outhit East End 9-7 but were unable to bunch them together when needed. Walks also hurt the American team.

### Award to be given

Shown here are members of the Harveys Lake Protective Association as they prepare for the upcoming presentation of the "Citizenship" award. From left, Mary Jo Shisko, Karen Boback, nomination committee members; and Jo Ann Jones, president.

## Group to give Citizenship Award

During the 1980s, the goal of the Harveys Lake Protective Association can best be addressed by emphasizing the Harveys Lake Homecoming theme of the past "Rediscover Our Region's Greatest Natural Wonder."

The Harveys Lake Protective Association not only fosters improvement of our community, but the furtherance of other civic improvement and betterment at Harveys Lake. The projects accomplished this year indeed show that the association can effectively promote and maintain the welfare of the Harveys Lake community.

Administration of the Marker Buoy Program is ongoing. The association, along with representatives of other Harveys Lake organizations, participated in a two-day celebration in June known as the Harveys Lake Homecoming Festival and the association sponsored an Ox Roast as their contribution to the festivities.

The association also continued a formal program of water safety. Not only is the association continuously active in addressing the concerns of our community, but it provides a feeling of "togetherness" for those at the lake as well as providing social functions. The dinner-dance has become an annual affair and the Christmas House Lighting Contest was a success.

Currently, the Civic Pride Committee is seeking nominations for the "Citizenship" award. This award is designed to recognize the individual in the community who has demonstrated the highest level of civic pride and confidence in the community through contributions of great personal effort.

Any community member interested in endorsing a resident for the award is asked to write a brief summary as to why they are nominating the candidate. Nominations should be postmarked no later than August 8, 1986 and sent to the Harveys Lake Protective Association, Box 45, Harveys Lake.

# WILKES COLLEGE

## MASTER OF HEALTH SERVICE ADMINISTRATION

Wilkes College is pleased to announce the availability of a Master's Degree in Health Service Administration.

Delivery of the nation's health care today requires the effort of many professionally prepared personnel. The new environment of the health-care industry demands better management to solve the three major problems: cost increases, access, and health levels.

Recognizing this need for better trained managers, Wilkes College has developed a thirty-six credit masters program in health administration. This program consists of six core courses in Human Resource Management, Medical Sociology, Strategic Planning, Accounting and Finance, National Health Policy, and Health Economics. The student is then allowed to choose a concentration in one of the three areas: Long-Term Care, Health-Care Marketing or Health-Care Finance. A new concentration in Chemical Dependency, Drugs and Alcohol, will be added. The remainder of the required courses can be chosen from elective courses.

Internships are available for students not currently working in the Health-Care field.

The courses, offered evenings or weekends are designed to meet the requirements of the working health-care professional. A student can usually complete the entire program in two years.

### Special Features of Wilkes M.H.A.:

- Limited class size, which facilitates individualized learning and maximizes student-instructor interaction.
- Highly effective personalized advisement system.
- Flexible scheduling that allows the candidate to complete the program in four semesters on a full-time basis or slower pace for those who are fully employed.
- Classes are offered during the evening hours and a weekend special schedule.
- Comprehensive quality faculty combines academicians and teacher practitioners.
- Program developed in consultation with practicing professionals.
- Career planning and placement services. Career counseling is available through the office of Career Planning and Placement Center. 215 S. Franklin St., 1st Floor, Wilkes-Barre, Pa.
