Send them **BACK TO COLLEGE** with a subscription to **THE DALLAS POST**

Certainly going away to college can be a rewarding and fun experience, but every student, now and then, becomes a bit lonely for the folks at home. A very welcome visitor on campus will be their hometown paper. They'll enjoy reading about all the local happenings, the scores of local high school games, news of social happenings and much, much more! A college subscription to this newspaper makes a great "going-away gift" and is easy to arrange. Just use the handy form below and we'll speed their first issue on the way so they'll get all the news. If it's a special gift from you, let us know and we'll send them a gift card so they'll know you're really thinking about them.
