DEBBIE SCHOONOVER, now of Dallas, has come to Dallas Senior High from Fresno, California. She is the daughter of Robert C. and Barbara Schoonover.

While at high school in Fresno, she was an honor student, a cheerleader, and a member of the track team. She plans to join the Dallas track team this spring. As for plans after graduation in June, Debbie says she intends to go to college.

And what about Dallas? "Oh," Debbie laughed. "It's cold, but everybody is really friendly."

THIS YEAR there are two exchange students in Dallas, one of whom is Juan Meza of Quito, Ecuador. He is the son of Luisa and Hernan Fuenzalida, but here in Dallas he's staying with Larry and Jane Griffin.

He enjoys playing tennis and football (that's soccer to you), but he doesn't know if he will join any high school or Back Mountain teams. After graduation from Dallas (he has already graduated from Intisana in Quito), Juan intends to return to Ecuador for college, where he will study Systems Engineering.

Right, and what do you think of Dallas, Juan? "Very nice people. Beautiful place...everything is green, contrasted with modern buildings. Good combination."

THE SECOND IS Joel van den Hoogen, son of Alma van den Hoogen of Bergan, Holland. He is staying with Mr. and Mrs. James Reinert of Pioneer Avenue in Shavertown.

At Dallas, he is a member of the soccer team and intends to try out for the tennis team. After graduation, Joel plans to go to college in Holland.

And what were his views on Dallas? He describes Dallas as "A friendly, little town."

ALSO, A NEW FACE in our halls is Nanette Ellsworth. Nanette comes to us from Bishop O'Reilly. She now resides on Claude St. in Dallas with her parents, John and Celia Ellsworth.

At Dallas, she is a member of the basketball team. As for graduation, she is unsure of what she will pursue.

But she is sure of one thing: "People in Dallas are really open and give a lot of help. I really like it here."

TIFFANY SUGGS, daughter of Roy and Linda Suggs of 4 Sunnybrook Lane, Dallas, comes to Dallas from Brookfield, Connecticut. She plans to become involved in yearbook and Steering Committee once those activities get underway. Her future plans involve attending college where she will major in Pre-natal Nursing.

And what about Dallas? "I like it here a lot," she smiles. "Y'all are really friendly!"

DONNA GRZYWACZ, formerly of Stroudsburg, now resides with her parents, Mr. and Mrs. Larry Ranck of 11 Timothy Drive, Sunrise Estates, Wyoming. At Dallas, she enjoys playing on the field hockey team and intends to go out for softball in the spring. After graduation, she plans to go to college majoring in Business Administration.

As for Dallas, she feels: "It's a place to feel right at home."

AND, FINALLY, just a reminder: At present, the senior class of Dallas Senior High School is operating without a senior advisor. Perhaps this matter can be better solved if more people are aware of it.

LAKE-LEHMAN NEWS

Susan DeGennaro

Scott Kerkowski

AS THE REPRESENTATIVES from Lake-Lehman we would like to welcome everyone to the new school year. We know that the year holds much promise and we hope it will be a productive one.

WITH THE NEW SCHOOL YEAR comes a new senior class and we would like to present them to you. The Class of 1987 is composed of 151 energetic, enthusiastic and closely knit individuals.

They have recently been involved in various in-school activities. These activities include working the refreshment breaks, signing up for the washing trip, finishing the fund raising campaign and selecting name cards and announcements for graduation.

They have also been showing their school spirit at the pep rallies with their school spirit at the pep rallies with their famous slogan K.A.E.S. (Knights are extra special, or?) on every sign. They have been overwhelming all underclassmen with their excitement and we hope this trend will continue.

The seniors have continued their enthusiasm out of school also. Many are participating in sports or are at the games rooting Lehman onto a win.

THE CROSS-COUNTRY TEAM, with a record of 5-4, started the season big with a win against Pittston Area, subsequently breaking their two year long no loss record. Although the team's top runner is Bryan Powell, an underclassman, seniors Bob Castellani, Bob Kruchinski, John Rosencrance and John Weaver excel, often pulling out the win.

HAVING THEIR BEST YEAR YET is the golf team. The team's leading man is senior captain Mark Lopasky. Playing third and fourth are seniors Steve Kazmierski and Jim Klimovich. Linda Babetski, the only senior girl on the team, is always ready to fill in when needed. The team is boasting a record of 5-3.

ONE SPORT which is often hidden from school view, because some of the games are held at Penn State Lehman Campus, is the soccer team. The team

lost some good players due to graduation but are coming back strong with seniors Shawn Straka, Rick Titus, and Mark Bonsavage. They are working hard and are holding even at 4-4.

ANOTHER WELL HIDDEN TEAM is the girls volleyball team. Their games are held at the Junior High School gym out of sight of most. Although there are only two seniors, Donna Sue James and Anna-Karen Jenson, they are key players.

THE FIELD HOCKEY TEAM has been having a great season. So far they are undefeated with a record of 6-0. They started their season big with wins against Seminary and their rival Dallas. Seniors dominate the team with 10 starters, 13 in all. A super defense keeps the score low with Kyra Koflanovich, Molly Boyle, Dawn Smith, Janene Kasarda, and goalie Kim Kozloski, all doing their job well.

Noel Kuznicki and Lori Pantle bring offense and defense together at link. The offense is composed of Susan DeGennaro, Susie Slocum, Wendy Bebey and sophomore Caroline James. Susie Stash, Amy Higgins and Jodi James are always prepared to help out when the team needs them. The team has three girls, Slocum, DeGennaro and Pantle in the top scorer listings.

THE FOOTBALL TEAM has been going strong this year with a record of 3-2. With senior captains, Jason Cadwalader and Scott Kerkowski, the team gives their all. Other seniors are Steve Whittiker, Dave Wormeldorf, Scott Schultz, Bill Davis, Don Spencer, and Chris Landmesser. The team boasts the WVC passing leader in sophomore Len Anetta and receiving leaders in Landmesser, Cadwalader and Spencer.

THE SENIORS have recently elected the class officers for this year. They are as follows: President, Dawn Smith; vice president, Susan DeGennaro; secretary, Scott Kerkowski and treasurer, Cathy Crawford.

ASVAB to be given at Dallas JHS

Dallas juniors will be given the Armed Services Vocational Aptitude Battery (ASVAB) on October 2, with approval of the Dallas School Board.

This battery is being given to students as part of the students' career counseling program. The results of the test will be used to give the students information on

their aptitude for certain job areas. The ASVAB test is a service given to school districts free of cost by the Armed Services. Many high schools across the country have endorsed using this battery as part of their career counseling program.

In addition to the ASVAB, as part of career counseling, during the school year, the juniors at Dallas will also be given an Interest Inven-

tory (VIESA) and they will work individually with the computer-based Guidance Information System. All these sources will be used to help the student match interest and aptitude with current job and job training information. The program is designed to give students as much information as possible to aid in their career choices.

Grandparents to have their very own day

Wyoming Seminary Lower School, Forty Fort, will conduct its first ever "Grandparents' Day" on Friday, Oct. 10, from 1 p.m. to 3 p.m. at the Lower School, announced Thomas E. Meseck, Dean of the Lower School.

Students in the Primary Department, grades kindergarten through fourth have written invitations to their grandparents or, in cases

where that is not possible to "adopted grandparents" for the event. The grandparents will be able to sit in on their grandchildren's classes and will also be given a chance to participate in class assignments.

The grandparents will see their grandchildren operate the computers, perform in the chorus and instrumental music classes and play

in the gym. The day will conclude with a brief assembly and tea for all grandparents and children.

"We hope to see more than 100 grandparents at our school on October 10," noted Mr. Meseck. "We know the grandparents are proud of their grandchildren. We are happy to have the opportunity to let the adults see the children at work and meet their teachers and friends."

Commended students

Matt Lipo and Kristen Piatkowski of Dallas Senior High School were recently recognized as Commended Student in the 1986 National Merit Scholarship Program. From left above, Frank Galicki, vice principal in charge of the Dallas Senior High School; Kristen Piatkowski and Matt Lipo.

Dallas students honored by NMSC

Dallas Senior High School has been notified by National Merit Scholarship Corporation (NMSC) of Evanston, Illinois, that Matt Lipo and Kristen Piatkowski have been designated Commended Students in the 1987 National Merit Scholarship Program and will receive a Letter of Commendation in recognition of outstanding academic promise.

The assistant principal, Frank Galicki, announced that on the basis of performance on the qualifying test for the 32nd annual Merit Program these seniors placed in the top 50,000 of more than one million participants. Being named a Commended Student in

this keen competition is a credit to these young citizens as well as to their schools, which play a key role in their development.

Matt Lipo is the son of Patricia Lipo of Mountain View Drive, Dallas. Matt has been active in Soccer, Cross Country and Track. He is considering College-ROTC in his future plans.

Kristen Piatkowski is the daughter of Mr. and Mrs. Paul Piatkowski, Dallas. Kristen is active in the Steering Committee, Yearbook, Debating Team, Track and is a member of the Gifted Program. College is in her future plans but is undecided as to her major.
