17th annual Starlight Ball set

Wilkes-Barre General Hospital's Auxiliary will sponsor its biggest fund-raising event of the year when it holds its 17th annual Starlight Ball on Saturday, November 22 at The Woodlands.

The event will begin with cocktails at 8 p.m., followed by a gourmet dinner at 9 p.m. and dancing until 1 a.m. Music will be provided by the Ken James Orchestra.

The ball is Wyoming Valley's largest and most elegant social event, attended by over 800 persons each year. Planning for the event takes several months and involves dozens of Auxiliary members. The menu and decorations are a closely guarded secret until the night of the ball and are always planned to focus on a special theme chosen for each annual event.

The awarding of a Mercedes-Benz, 190 class is another highlight of the ball. Only 350 tickets are sold for the drawing.
