of whom scored a touchdown apiece.

The game was all but over midway through the third, but the emotions of both teams never did die. With three minutes left to play, a series of small skirmishes broke out that ended with the ejection of

Skrepenak.

But in the final analysis, however, it was Dallas that was eliminated from contention for the Division 11 title. The Mounts now drop to 2-2 in District 2 play behind undefeated GAR and Meyers and have almost no shot for the crown.

# Hockey

(Continued from page 9)

Neither team scored in the second half. Dallas had 26 shots on goal, Meyers had only one. Dallas had 20 penalties, Meyers had three.

It was Crestwood's Cassie Hudock off an assist by Melinda Anderson, who scored the goal against the Lady Mountaineers in Wednesday's match to give the Comets a 1-0 win.

Both teams played excellent offense and defense and the game could have gone either way. The game was as exciting on the sidelines as it was on the field.

Dallas had 23 corners while the

Comets had only three but they made their first corner count which gave the Comets the win. The Mountaineers kept the ball near their net for four minutes near the end of the second half and in the final two

minutes tried desperately to score but the strong Crestwood defense turned them away.

Lori Warnecka played an outstanding game for the Lady Mountaineers.
