tionship can be meaningful to both.

Ms. Olaviany explained that the role of a Big Brother or Big Sister is not a social activity, but rather a friend-to-friend activity. Having a Big Brother could, quite possibly, mean that many of these one-parent children would need no counseling, no getting into trouble and would get something from life.

As Earl Monk, who spends a day each week with his Little Brother and sometimes longer depending on what the two plan to do, the program is very

worthwhile. Monk advises those students who are able to do so to get involved as soon as possible. According to Earl, the rewards are indescribable.
