The Royale
Our most popular assortment. The Royale is not only a beauty to behold but it is also most affordable. Quality is never compromised as is evidenced by the fact that all assortments contain "seedless" navel oranges grown with pride by the family of Sunkist Growers. A delightful gift of food beautifully packaged in an oval cut plastic container and topped with a festive bow. Only \$13.95

The Americana
A veritable cornucopia of variety and color that is representative of the bounty of the harvest. Truly a magnificent assortment that includes famous Indian River Citrus and only "extra fancy" Washington State Red and Golden Delicious apples. Fresh, healthful, nutritious. Only \$14.95

The Regency
The low design of the reusable and practical cut plastic tray makes the Regency one of the showiest of all assortments. All assortments are wrapped in clear film and decorated with colored bows. Only \$7.95

The Diplomat
An assortment of the freshest fruit from the finest growing areas, artfully arranged in a wicker basket, that includes a sprinkling of mixed nuts. Our largest and most impressive arrangement. Only \$17.95
