

# Dear Santa,

## Elementary students pen letters to North Pole

(Students in Mrs. Nulton's third grade class and Mrs. Roeder's first grade class at the Dallas Elementary School recently enjoyed a day of writing letters to Santa.

As part of the third grade English lesson in letter writing, each third grader used all the things he or she learned in helping first graders with these very special letters. Thus, the first graders had wonderful partners in sharing this lesson.

The letters were sent to Santa and the students are anxiously awaiting a reply to their letters. The Christmas spirit is alive and well at the Dallas Elementary School and the children would like to wish all the readers of The Dallas Post a Merry Christmas.

Printed here are copies of the letters, exactly as the students wrote them.)
