Kiwanians collect pennies for baseball

Members of the Dallas Kiwanis Club will soon be asking residents of the Back Mountain to dig into their pockets, purses and penny banks to collect and save pennies for the Back Mountain Baseball Inc. League.

The "Pennies for Back Mountain Baseball" fundraising project is being sponsored by the Kiwanis Club which has set a goal of at least 1,000,000 pennies in order to break a record set recently by a Rockland, Maine high school in a fund drive to raise money for a new playground.

The local Dallas Kiwanians hope to surpass that record and possibly set a new record for the Guinness World Book of Records.

John Oliver, president of the

Back Mountain Baseball, Inc., explained that all residents of the area will be asked to collect and save their pennies until a date in May when they will be asked to bring in the pennies to a designated Dallas School where they will be placed end-to-end on the gym floor of the school and counted in an attempt to break the record of 1,017,000 pennies set by the Rockland School District volunteers.

The money raised will be used to help support the youth baseball program. Members of the "Pennies for Baseball" committee are Tex Wilson, George McCutcheon, Frank Natitus, vice president, Back Mountain Baseball; John Oliver, president, Back Mountain Baseball; and John Luke.
