Soccer Club planning fundraiser

The Dallas High School Soccer Club is currently planning its annual craft show, "Crafts and More" to be held Saturday, April 23, 1988 from 10 a.m. to 4 p.m. The show will be held at the Dallas High School. Soccer

Club parents will offer refreshments and baked goods, and conduct a raffle.

For those interested in renting space, areas available are 8 foot squares or corners. Mem-

bers of the soccer team will be available to help exhibitors to unload and to pack up.

To obtain further information, please contact Josie Reabuck at 675-3869.

Sports film to be shown

Outdoor film producer, George Klucky of Concord, New Hampshire, will be the guest speaker on Thursday, March 24, at the Lake-Lehman Senior High School with his full color hunting, fishing and wild-life films featuring outdoor action that will appeal to sporting enthusiasts of every persuasion. Sportsmen are moved by the element of suspense and surprise in Klucky's Wilderness Films, but because the imposing beauty of the wild never escapes Klucky's keen, discerning eye, his films are enjoyed by nature lovers as well. The entire family will enjoy this evening of entertainment. For more information call Peggy Denmon at 477-2070.

Dallas' Lady Mounts ready

BY CHARLOT M. DENMON
Staff Writer

Dallas High School girls softball coach, Jay Pope says he has a young team this season with only three seniors, Jill Urbanis, catcher; Joyce Tinner, shortstop; and Christine Legenz, third base; Urbanas and Tinner are co-captains of the team.

Other than that, Pope says it is too early to determine what type of team he will field this season with the exception that he has a strong pitching staff.

"Juniors Tracy Hunter, Lori Cave and sophomore Laura Poynton are expected to do a good job on the mound," Pope said.

Coach Pope has eight juniors, 10 sophomores and two freshmen on this season's team with few of them having any varsity experience.

Juniors are Holly Bachman, infield; Hunter, pitcher, outfield; Julianne Orlovski, first base; Dena Rebenack, second base; Wendy Stritzinger, outfield; Randi Harvey, second base; Patty Reed, first base; and Lori Cave, pitcher, outfield.

Sophomores are Poynton, pitcher, outfield; Wendy Hozempa, second base, outfield; Brenda Love, first base; Brenda Olsen, outfield; Erica Bullock, outfield; Amy Burgerhoff, infield; Kim Kaleta, infield; Terry Bartleson, second base, third base; Lynn Bednar, first base; Stephanie Andrasko, outfield.

The two freshmen Molly Connolly, outfielder and Melanie Langdon, catcher and first baseman.

Managers are Tracey Michael, Tracy Shelly and Amy Chamberlain.

Pope is pleased with the hard work the candidates are doing in practice and is hoping to have a better knowledge of how competitive the Dallas team will be in another week or two. With a team so young and inexperienced he says it takes a greater length of time and effort to select a first team.

Reinert off to finals

Six wrestlers from Class AA and four in Class AAA of the Wyoming Valley Wrestling Conference will compete in the PIAA state competition at Hershey next weekend but only one of the 10 matmen is from the Back Mountain.

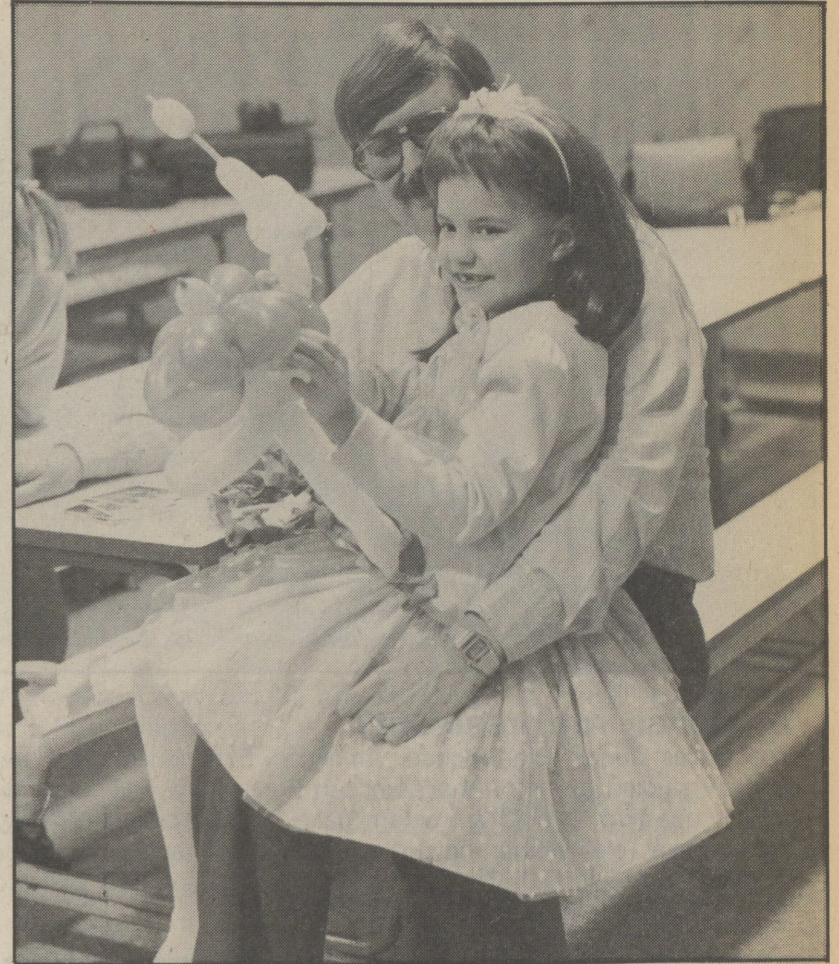

Lake-Lehman senior Matt Reinert placed third in Class AA regionals at Williamsport after pulling out a close 6-5 win in his bout with Sayre's Todd Maynard.

Reinert was selected as Outstanding Wrestler in District II's Class AA competition.

Lake-Lehman placed 18th with 15 points.

The best the Dallas Mountaineers could do was to place Ron Post and Eric Olsen.

Olsen came back through the losers' bracketing but lost 8-3 to Don Suransky of Northampton. Post lost 4-0 to Rick Evans of Allentown's Central Catholic in the consolation finals.

Basketball game to benefit Amber Nicely

All Back Mountain residents and friends are invited to attend an Amber Nicely benefit basketball game between InterMetro Industries Corp. employees, and WYOU-TV, Channel 22 personalities, on Saturday, March 26.

Dallas Junior High School gymnasium is tentatively set for the game, pending approval by the Dallas School Board.

Tom Youells, InterMetro co-organizer of the event said all proceeds will go to the Nicely family to assist with Amber's medical bills. Amber's Dad, Ed Nicely, is an employee of Intermetro, and employees of the

corporation decided to band together to help Amber.

"We're hoping for a large turnout," Youells said. "We've received a tremendous response from Back Mountain businesses that were eager to support our efforts on behalf of the Nicely family."

Youells said InterMetro employees, Dallas Superintendent Gerald Wycallis, and everyone connected with the fundraiser are joining together to make the event a success.

Tickets for the event are \$1.50 for children and \$2.50 for adults.

SAVE YOUR PENNIES — Dallas Kiwanis Club received a Back Mountain Baseball Inc. plaque at one of their meetings recently in appreciation for the club's Penny Drive for Back Mountain Baseball Youth. Pitch pennies for Back Mt. baseball

Back Mountain Baseball, Inc. and Dallas Kiwanis Club are sponsoring a "Penny" drive to be held May 20-21. Purpose of the drive is to support the summer baseball program, which is made up of teams of boys and girls from ages six to

16 years. The goal of the project is to cover the entire playing floor of the gym at Dallas Junior High School. They hope to break the Guinness record for the most pennies collected in a drive similar to the one the Kiwanis-

ans are planning. Additional information about the record will be published in the future.
